§ 929.236

have a financial interest in, or be associated with the production, processing, financing, or marketing of cranberries. (b) Public member and alternate member candidates should be able to devote sufficient time to attend committee activities regularly and to familiarize themselves with the background and economies of the cranberry industry. (c) Names of candidates together with evidence of qualification for public membership on the Cranberry Marketing Committee shall be submitted to the committee at its business office. (d) Questionnaires shall be sent by the committee to those persons submitted as candidates to determine their eligibility and interest in becoming a public member. (e) The names of persons nominated by the committee for the public member and alternate positions shall be submitted to the Secretary with such information as deemed pertinent by the committee or as requested by the Secretary. (f) Public members shall serve a two-year term which coincides with the term of office of industry members of the committee.

§ 929.250 Marketable quantity and allotment percentage for the 2000–2001 crop year.

The marketable quantity for the 2000–2001 crop year is set at 5.468 million barrels and the allotment percentage is designated at 85 percent. The marketable quantity may be adjusted to retain the 85 percent allotment percentage if the total industry sales history increases due to established growers receiving additional sales history on acreage with four years sales or less.

§ 929.251 Marketable quantity and allotment percentage for the 2001–2002 crop year.

The marketable quantity for the 2001–2002 crop year is set at 4.6 million barrels and the allotment percentage is designated at 65 percent. Fresh and organically grown fruit shall be exempt from the volume regulation provisions of this section.
