Agricultural Marketing Service, USDA § 981.51

The Board shall also furnish to the Secretary a complete report of the proceedings of the Board meeting at which the recommended salable and reserve percentages were considered. If, for any reason, the Board fails to make these estimates or to recommend to the Secretary salable and reserve percentages as required hereby, reports representing the views of members with respect to such matters may be submitted to the Secretary who may act on the basis of such reports or other information available to him.

§ 981.50 Reserve obligation.

Whenever salable and reserve percentages are in effect for a crop year, each handler shall withhold from handling a quantity of almonds having a kernel weight equal to the reserve percentage of the kernel weight of all almonds such handler receives for his own account during the crop year: Provided, That, any quantity of almonds delivered to outlets such as poultry or animal feed or crushing into oil, in a manner permitting accountability to the Board, shall not be included in such receipts. The quantity of almonds hereby required to be withheld from handling shall constitute, and may be referred to as the “reserve” or “reserve obligation” of a handler. The almonds handled as salable almonds by any handler, in accordance with the provisions of this part, shall be deemed to be that handler’s quota fixed by the Secretary within the meaning of section 8a(5) of the act.

§ 981.51 Requirements for reserve.

Each handler may satisfy his reserve obligation with such almonds specified in the terms of the agency agreement authorized in §981.67, including all applicable inspection and certification requirements. Any handler who does not become an agent may receive credit by similarly delivering almonds to the market price (within the limitations of the act); and

(e) The recommended salable and reserve percentages to be established.
