

§ 981.52

Board or its designees. These requirements may be established by the Board, with the approval of the Secretary, and from time to time so modified, and may include grade requirements for reserve almonds delivered to human consumption outlets.

[41 FR 26853, June 30, 1976]

§ 981.52 Holding requirement and delivery.

Each handler shall, at all times, hold in his possession or under his control, in proper storage for the account of the Board, the quantity of almonds necessary to meet his reserve obligation less: (a) Any quantity which was disposed of by him pursuant to § 981.67; and (b) any quantity for which he is otherwise relieved by the Board of responsibility to so hold almonds. Upon demand of the Board reserve almonds shall be delivered to the Board f.o.b. handler's warehouse or point of storage, except that the Board shall not make such demand upon a handler with respect to reserve almonds for which he has agreed to undertake disposition pursuant to § 981.67. Any handler who does not act as agent for the Board in the disposition of reserve almonds shall be subject to the applicable inspection and certification requirements prescribed by the Board pursuant to § 981.67.

[41 FR 26853, June 30, 1976]

§ 981.54 Payment to handlers for services rendered.

The Board may pay handlers for necessary services rendered by them in connection with almonds eventually disposed of directly by the Board as reserve including but not limited to storing, shelling, sorting, bleaching, grading, packaging, fumigating, and other services in accordance with such schedule of payments and under such conditions as may be established by the Secretary after recommendation of the Board.

§ 981.55 Interhandler transfers.

(a) Any handler may, upon notice to and under the supervision and direction of the Board, transfer almonds or reserve credits to another handler. Any such transfers shall be accounted for in

such manner that the reserve obligation and assessments on the combined transactions of the participating handlers shall be fully met and such reserve withholding obligation and assessments may be divided between such handlers in accordance with their arrangements subject to approval of the Board.

(b) When salable and reserve percentages are in effect, any handler may transfer reserve withholding obligation to other handlers. Terms and conditions implementing this provision must be recommended by the Board and approved by the Secretary.

[35 FR 11372, July 16, 1970, as amended at 61 FR 32921, June 26, 1996]

§ 981.56 Assistance of Board in accounting for reserve.

The Board, on written request, may assist handlers in accounting for their reserve obligations and may aid any handler in acquiring almonds to meet any deficiency in his reserve.

§ 981.57 Application of salable and reserve percentages after end of crop year.

The salable and reserve percentages established for any crop year shall continue in effect with respect to all almonds for which the reserve obligation has not been previously met, which are received for his own account or handled by any handler after the end of such crop year and before salable and reserve percentages are established for the succeeding crop year. After such percentages are established for the new crop year, the withholding requirements for all such almonds theretofore received for his own account or handled during that crop year shall be adjusted to the newly established percentages.

§ 981.59 Adjustment upon increase of salable percentage.

(a) Upon any increase in the salable percentage and corresponding decrease in the reserve percentage, the reserve obligation of each handler for the entire crop year to the effective date of such action shall be computed in accordance with such revised salable and reserve percentages. From the reserve almonds that may have been withheld by him and not yet disposed of, any
