as the Board may determine. Each handler's share of a refund shall be the amount by which his payment of assessments exceeds his pro rata share of the two major classifications of Board expenses. For the purpose of computing any refund from the marketing promotion portion, each handler's payment of assessments shall include any amount credited to the handler pursuant to §981.41. In lieu of a refund, each handler may have the amount due him credited to his assessment obligation of the crop year in which the amount would be refunded.

(c) Reserves. The Board may maintain an operating reserve fund consisting of an administrative-research portion and a marketing promotion portion. The amount in each portion shall not exceed approximately six-months' budget for the activity area or such lower amount as the Board may establish with the approval of the Secretary: Provided, That this limitation shall not restrict the temporary retention of excess funds for the purpose of stabilizing or reducing the assessment rate of a crop year. To the extent that funds from current crop year assessments are inadequate, funds in the operating reserve may be used for the authorized activities of the crop year. Funds so used, and not exceeding the six-month limitation, shall be replaced to the extent practicable from assessments subsequently collected for the crop year.

(d) Disposition of funds upon termination. Any money collected from assessments hereunder and remaining unexpended in possession of the Board upon the termination of this part shall be distributed in such manner as the Secretary may direct.

(e) Any assessment not paid by a handler within a period of time prescribed by the Board may be subject to an interest or late payment charge or both. The period of time, rate of interest and late payment charge shall be as recommended by the Board and approved by the Secretary. Subsequent to such approval, all assessments not paid within the prescribed period of time shall be subject to an interest or late payment charge or both.
