§ 982.32 Initial members and nomination of successor members.

(a) Members and alternate members of the Board serving immediately prior to the effective date of this amended subpart shall continue to serve on the Board until their respective successors have been selected.

(b) Nominations for successor handler members and alternate members specified in §982.30(b) (1) through (3) shall be made by the largest, second largest, and third largest handler determined according to the tonnage of certified merchantable hazelnuts and, when shelled hazelnut grade and size regulations are in effect, the inshell equivalent of certified shelled hazelnuts (computed to the nearest whole ton) recorded by the Board as handled by each such handler during the two marketing years preceding the marketing year in which nominations are made.

(c) Nominations for successor handler member and alternate handler member positions specified in §982.30(b)(4) shall be made by the handlers in that category by mail ballot. All votes cast shall be weighted according to the tonnage of certified merchantable hazelnuts and, when shelled hazelnut grade and size regulations are in effect, the inshell equivalent of certified shelled hazelnuts (computed to the nearest whole ton) recorded by the Board as handled by each handler during the two marketing years preceding the marketing year in which nominations are made. If less than one ton is recorded for any such handler, the vote shall be weighted as one ton. Voting will be by position, and each eligible handler can vote for a member and an alternate member. The person receiving the highest number of weighted votes for each position shall be the nominee for that respective position.

(d) For the purposes of nominating and voting for handler members and alternates, the tonnage of hazelnuts shall be credited to the handler responsible under the order for the payment of assessments of those hazelnuts.
