**RESEARCH**

**§ 983.46 Research.**

The committee, with the approval of the Secretary, may establish or provide for the establishment of projects involving research designed to assist or improve the efficient production and postharvest handling of quality pistachios. The committee, with the approval of the Secretary, may also establish or provide for the establishment of projects designed to determine the effects of pistachio consumption on human health and nutrition. Pursuant to § 983.43(a), such research projects may only be established with 12 concurring votes of the voting members of the committee. The expenses of such projects shall be paid from funds collected pursuant to §§ 983.71 and 983.72.

**7 CFR Ch. IX (1–1–10 Edition)**

**MARKETING POLICY**

**§ 983.47 Marketing policy.**

Prior to August 1st each year, the committee shall prepare and submit to the Secretary a report setting forth its recommended marketing policy covering quality regulations for the pending crop. In the event it becomes advisable to modify such policy, because of changed crop conditions, the committee shall formulate a new policy and shall submit a report thereon to the Secretary. In developing the marketing policy, the committee shall give consideration to the production, harvesting, processing and storage conditions of that crop. The committee may also give consideration to current prices being received and the probable general level of prices to be received for pistachios by producers and handlers. Notice of the committee's marketing policy, and of any modifications thereof, shall be given promptly by reasonable publicity, to producers and handlers.

**REGULATIONS**

**§ 983.50 Aflatoxin regulations.**

The committee shall establish, with the approval of the Secretary, such aflatoxin sampling, analysis, and inspection requirements applicable to pistachios to be shipped for domestic human consumption as will contribute to orderly marketing or be in the public interest. No handler shall ship, for human consumption, pistachios that exceed an aflatoxin level established by the committee with approval of the Secretary. All domestic shipments must be covered by an aflatoxin inspection certificate.
