§ 987.80

established by the Committee with the approval of the Secretary.

(b) *Surplus expenses.* The Committee is authorized to use temporarily funds derived from assessments collected pursuant to paragraph (a) of this section to defray expenses incurred in disposing of surplus dates. All such expenses shall be deducted from the proceeds obtained by the Committee from such disposal.

(c) *Operating reserve.* The Committee, with the approval of the Secretary, may establish and maintain during one or more crop years an operating monetary reserve in an amount not to exceed 50 percent of the average of expenses incurred during the most recent five preceding crop years, except that an established reserve need not be reduced to conform to any recomputed average. Funds in reserve shall be available for use by the Committee for expenses authorized pursuant to § 987.71.

(d) *Refunds.* Funds held by the Committee at the conclusion of the crop year in excess of the crop year's expenses, including reserve requirements, may be used to defray expenses for no more than the ensuing four months, and thereafter within a reasonable time the Committee shall credit, or upon demand, refund the aforesaid excess to handlers who contributed to such excess: *Provided*, That the excess due any handler may be applied, in whole or in part, by the Committee to any outstanding obligation due the Committee from such handler. A handler's share of the excess funds shall be the amount of assessments he paid in excess of his actual pro rata share of the expenses, including reserve requirements, of the Committee for the preceding crop year. Upon termination of this subpart any money in possession of the Committee shall be distributed in such manner as the Secretary may direct: *Provided*, That, to the extent practicable, such funds shall be returned pro rata to the persons from whom such funds were collected.
