Agricultural Marketing Service, USDA

§ 1001.30

Each handler shall report monthly so that the Market Administrator’s office receives the report on or before the 10th day after the end of the month, in the detail and on prescribed forms, as follows:

(a) Each pool plant operator shall report for each of its operations the following information:

(1) Product pounds, pounds of butterfat, pounds of protein, and pounds of nonfat solids other than protein (other solids) contained in or represented by:

(ii) Receipts of fluid milk products and bulk fluid cream products from other pool plants;

(ii) Receipts of other source milk;

and

(ii) Receipts of other source milk;
