§ 78.22 Brucellosis reactor bison.

(a) Destination. Brucellosis reactor bison may be moved interstate only for immediate slaughter as follows:

(1) Directly to a recognized slaughtering establishment;

(2) The bison are accompanied by a certificate which states, in addition to the information required by § 78.1, the test dates and results of the official tests when such tests are required.

(3) The bison are accompanied by a certificate that states, in addition to the information required by § 78.1, the test dates and results of the official tests when such tests are required.

5 A herd which is not qualified in a quarantined area may become a qualified herd upon compliance with the provisions set forth in § 78.1 in the definition of "qualified herd."
