When livestock is purchased on a carcass weight or carcass grade and weight basis, the hot carcass weights shall be recorded using a scale equipped with a printing device, and such printed weights shall be retained as part of the person or firm's business records to substantiate settlement on each transaction. Scale tickets issued under this section shall show:

(3) The name of the buyer and seller or consignor, or a designation by which they may be readily identified;

(4) The number of head;

(3) The name and address of the grower, purchaser, or seller;

(8) The number of poultry weighed;

(9) The weather conditions;

(10) Whether the driver was on or off the truck at the time of weighing; and

(11) The license number of the truck or the truck number; *provided*, that when live poultry is weighed on a scale other than a vehicle scale, the scale ticket need not show the information specified in paragraphs (b)(9)-(11) of this section. Scale tickets issued under

§ 201.53

this paragraph shall be at least in duplicate form and shall be serially numbered and used in numerical sequence. One copy shall be furnished to the grower, purchaser, or seller, and one copy shall be furnished to or retained by the live poultry dealer.

(c) *Feed.* (1) Whenever feed is weighed by or on behalf of a stockyard owner, market agency, dealer, packer, or live poultry dealer where the weight of feed is a factor in determining payment or settlement to a livestock grower or poultry grower, a scale ticket shall be issued which shall show:

(i) The name of the agency performing the weighing service or the name and location of the firm responsible for supplying the feed;

(ii) The name and address of the livestock grower or poultry grower;
