(1) Comply with the requirements of paragraph (a) of this section with regard to those persons whom it is reasonable and practicable to notify; and

(2) Include with the application a description of the persons or class or classes of persons to whom notice was sent. The OHA may require the applicant to provide additional or alternative notice, may determine that the notice required by paragraph (a) of this section is not impracticable, or may determine that notice should be published in the \textit{Federal Register}.

(c) The OHA shall serve notice on any other person readily identified by the OHA as one who would be aggrieved by the OHA action sought and may serve notice on any other person that written comments regarding the application will be accepted if filed within 10 days of service of such notice.

(d) Any person submitting written comments to the OHA with respect to an application filed under this subpart shall send a copy of the comments, or a copy from which confidential information has been deleted in accordance with §1003.9(f), to the applicant. The person shall certify to the OHA that he has complied with the requirements of this paragraph. The OHA may notify other persons participating in the proceeding of such comments and provide an opportunity for such persons to respond.

§ 1003.25 OHA evaluation.

(a)(1) OHA may initiate an investigation of any statement in an application and utilize in its evaluation any relevant facts obtained by such investigation. The OHA may solicit and accept submissions from third persons relevant to any application provided that the applicant is afforded an opportunity to respond to all third person submissions. In evaluating an application, the OHA may consider any other source of information. The OHA on its own initiative may convene a hearing or conference, if, in its discretion, it considers that such hearing or conference will advance its evaluation of the application. The OHA may issue appropriate orders as warranted in the proceeding.

(2) If the OHA determines that there is insufficient information upon which to base a decision and if upon request additional information is not submitted by the applicant, the OHA may dismiss the application without prejudice. If the failure to supply additional information is repeated or willful, the OHA may dismiss the application with prejudice. If the applicant fails to provide the notice required by §1003.23, the OHA may dismiss the application without prejudice.

(b)(1) The OHA shall consider an application for an exception only when it determines that a more appropriate proceeding is not provided by DOE regulations.
