enforceable, written agreement providing that, in the event of default, the full original principal balance of the debt prior to compromise, less sums paid thereon, is reinstated. Whenever possible, DOE also will obtain security for repayment in the manner set forth in subpart B of this part.

(g) To assess the merits of a compromise offer based in whole or in part on the debtor’s inability to pay the full amount of a debt within a reasonable time, DOE will, if feasible, obtain a current financial statement from the debtor, executed under penalty of perjury, showing the debtor’s assets, liabilities, income, and expenses. DOE also may obtain credit reports or other financial information to assess compromise offers. DOE may use its own financial information form or may request suitable forms from the DOJ or the local United States Attorney’s Office.

§ 1015.303 Enforcement policy.

Pursuant to this part, DOE may compromise statutory penalties, forfeitures, or claims established as an aid to enforcement and to compel compliance, if DOE’s enforcement policy in terms of deterrence and securing compliance, present and future, will be adequately served by DOE’s acceptance of the sum to be agreed upon.

§ 1015.304 Joint and several liability.

(a) When two or more debtors are jointly and severally liable, DOE will pursue collection activity against all debtors, as appropriate. DOE will not attempt to allocate the burden of payment between the debtors, but will proceed to liquidate the indebtedness as quickly as possible.

(b) DOE will seek to ensure that a compromise agreement with one debtor does not release DOE’s claim against the remaining debtors. The amount of a compromise with one debtor shall not be considered a precedent or binding in determining the amount that will be required from other debtors jointly and severally liable on the claim.

§ 1015.305 Further review of compromise offers.

If DOE is uncertain whether to accept a firm, written, substantive compromise offer on a debt that is within DOE’s delegated compromise authority, it may refer the offer to the Civil Division or other appropriate litigating division in the DOJ, using a CCLR accompanied by supporting data and particulars concerning the debt. The DOJ may act upon such an offer or return it to DOE with instructions or advice.

§ 1015.306 Consideration of tax consequences to the Government.

In negotiating a compromise, DOE will consider the tax consequences to the Government. In particular, DOE will consider requiring a waiver of tax-loss-carry-forward and tax-loss-carry-back rights of the debtor. For information on discharge of indebtedness reporting requirements see §1015.405 of this part.

§ 1015.307 Mutual releases of the debtor and the Government.

In all appropriate instances, a compromise that is accepted by DOE will be implemented by means of a mutual release, in which the debtor is released from further non-tax liability on the compromised debt in consideration of payment in full of the compromise amount and the Government and its officials, past and present, are released and discharged from any and all claims and causes of action arising from the same transaction that the debtor may have. In the event a mutual release is not executed when a debt is compromised, unless prohibited by law, the debtor is still deemed to have waived any and all claims and causes of action against the Government and its officials related to the transaction giving rise to the compromised debt.
