§ 602.5 Epidemiology and Other Health Studies Financial Assistance Program.

(a) DOE may issue under this part awards for research, education/training, conferences, communication, and related activities in the Office of Health, Safety and Security (Office of Epidemiology and Radiation Safety), the Office of Science, the Office of Energy Efficiency and Renewable Energy, and the Office of the Inspector General. DOE may also make grants for other activities that would be approved by the Office of Health, Safety and Security as part of the national strategy for the prevention and control of occupational diseases.

(b) DOE may make grants for other activities that would be approved by the Office of Health, Safety and Security as part of the national strategy for the prevention and control of occupational diseases.

(c) DOE may make grants for other activities that would be approved by the Office of Health, Safety and Security as part of the national strategy for the prevention and control of occupational diseases.
