§ 7.2013 Fidelity bonds covering officers and employees.

(a) Adequate coverage. All officers and employees of a national bank must have adequate fidelity coverage. The failure of directors to require bonds with adequate sureties and in sufficient amount may make the directors liable for any losses that the bank sustains because of the absence of such bonds. Directors should not serve as sureties on such bonds.

(b) Factors. The board of directors should determine the amount of such coverage, premised upon a consideration of factors, including:

1. Internal auditing safeguards employed;
2. Number of employees;
3. Amount of deposit liabilities; and
4. Amount of cash and securities normally held by the bank.

(a) Administrative proceedings or civil actions initiated by Federal banking agencies. A national bank may only make or agree to make indemnification payments to an institution-affiliated party with respect to an administrative proceeding or civil action initiated by any Federal banking agency, that are reasonable and consistent with the requirements of 12 U.S.C. 1828(k) and the implementing regulations thereunder. The term “institution-affiliated party” has the same meaning as set forth at 12 U.S.C. 1813(u).

(b) Insurance premiums. A national bank may provide for the payment of reasonable premiums for insurance covering the expenses, legal fees, and liability of institution-affiliated parties to the extent that the expenses, fees, or liability could be indemnified under paragraph (b)(1) of this section.

§ 7.2015 Cashier.

A national bank’s bylaws, board of directors, or a duly designated officer may assign some or all of the duties previously performed by the bank’s cashier to its president, chief executive officer, or any other officer.

§ 7.2016 Restricting transfer of stock and record dates.

(a) Conditions for stock transfer. Under 12 U.S.C. 52, a national bank may impose conditions upon the transfer of its stock reasonably calculated to simplify the work of the bank with respect to stock transfers, voting at shareholders’ meetings, and related matters and to protect it against fraudulent transfers.

(b) Record dates. A national bank may close its stock records for a reasonable period to ascertain shareholders for voting purposes. The board of directors may fix a record date for determining the shareholders entitled to notice of, and to vote at, any meeting of shareholders. The record date should be in reasonable proximity to the date that notice is given to the shareholders of the meeting.

§ 7.2017 Facsimile signatures on bank stock certificates.

The president and cashier, or other officers authorized by the bank’s bylaws, shall sign each national bank stock certificate. The signatures may be manual or facsimile, including electronic means of signature. Each certificate must be sealed with the seal of the association.
