§ 327.11 Special assessments.

(a) Special assessment imposed on June 30, 2009. On June 30, 2009, the FDIC shall impose a special assessment on each insured depository institution of 5 basis points based on the institution’s total assets less Tier 1 capital as reported on the report of condition for the second assessment period of 2009. The special assessment paid by any institution shall not exceed 10 basis points times the institution’s assessment base for the second quarter 2009 risk-based assessment.

(b) Special assessments after June 30, 2009—(1) Authority for additional special assessments. After June 30, 2009, if the reserve ratio of the Deposit Insurance Fund is estimated to fall to a level that the Board believes would adversely affect public confidence or to a level which shall be close to or below zero at the end of a calendar quarter, a special assessment of up to 5 basis points on total assets less Tier 1 capital as reported on the report of condition for that calendar quarter may be imposed by a vote of the Board on all insured depository institutions. For any institution, the amount of such a special assessment shall not exceed 10 basis points times the institution’s assessment base reported as of the date that the special assessment is imposed.

(2) Termination of authority. The authority to impose additional special assessments under this paragraph (b) shall terminate on January 1, 2010, but such termination of authority shall not prevent the Corporation from thereafter collecting any special assessment imposed prior to January 1, 2010.
