§ 563c.3 Qualification of public accountant.

(See also 17 CFR 210.2-01.)

The term “qualified public accountant” means a certified public accountant or licensed public accountant certificated or licensed by a regulatory authority of a State or other political subdivision of the United States who is in good standing as such under the laws of the jurisdiction where the home office of the registrant to be audited is located. Any person or firm who is suspended from practice before the Securities and Exchange Commission or other governmental agency is not a “qualified public accountant” for purposes of this section.

§ 563c.4 Condensed financial information [Parent only].

(a) The information prescribed by Schedule III required by section IV of §563c.102 of this part shall be presented in a note to the financial statements when the restricted net assets (17 CFR 210.4-08(e)(3)) of consolidated subsidiaries exceed 10 percent of consolidated net assets as of the end of the most recently completed fiscal year. The investment in and indebtedness of and to association subsidiaries shall be stated separately in the condensed balance sheet from amounts for other subsidiaries; and the amount of cash dividends paid to the parent association for each of the last three years by association subsidiaries shall be stated separately in the condensed income statement from amounts for other subsidiaries.

(b) For purposes of the above test, restricted net assets of consolidated subsidiaries shall mean that amount of the association’s proportionate share of net assets of consolidated subsidiaries (after intercompany eliminations) which as of the end of the most recent year may not be transferred to the parent company by subsidiaries in the form of loans, advances, or cash dividends without the consent of a third party (i.e., lender, regulatory agency, foreign government, etc.).

(c) Where restrictions on the amount of funds which may be loaned or advanced differ from the amount restricted as to transfer in the form of cash dividends, the amount least restrictive to the subsidiary shall be used. Redeemable preferred stocks (See item I (22) in §563c.102) and minority interest (See item I (21) in §563c.102) shall be deducted in computing net assets for purposes of this test.
