(18) A presentation for each constituent association of interest rate comparisons for the last 2 fiscal years preceding the date of the balance sheet, together with a statement of the continuing or new association’s proposed interest rate and fee programs, interest collection policies, capitalization rates, dividends or patronage refunds, and other factors that would affect a borrower’s cost of doing business with the continuing or new association. Where agreement has not been reached on such matters, current related information shall be presented for each constituent association.

(i) The notice and accompanying information required under paragraph (e) of this section shall not be sent to stockholders until preliminary approval of the merger or consolidation has been given by the Farm Credit Administration.

(j) Where a proposed merger or consolidation will involve more than three associations, the Farm Credit Administration may require the supplementation, or allow the condensation or omission of any information required under paragraph (e) of this section in furtherance of meaningful disclosure to stockholders.
