Consolidated obligations means any bond, debenture or note on which the Banks are jointly and severally liable and which was issued under section 11 of the Bank Act (12 U.S.C. 1431) and any implementing regulations, whether or not such instrument was originally issued jointly by the Banks or by the Federal Housing Finance Board on behalf of the Banks.

Critical capital level for a Bank means an amount equal to 2 percent of the Bank's total assets.

Director means the Director of the Federal Housing Finance Agency or his or her designee.

Executive officer means for a Bank any of the following persons, provided that the Director may from time to time add or remove persons, positions, or functions to or from the list (individually for one or more Banks or jointly for all the Banks) by communication to the affected Banks:

(1) Executive officers about whom the Banks must publicly disclose detailed compensation information under Regulation S-K, 17 CFR part 229, issued by the Securities and Exchange Commission;

(2) Any other executive who occupies one of the following positions or is in charge of one of the following subject areas:

(i) Overall Bank operations, such as the Chief Operating Officer or an equivalent employee;

Risk-based capital requirement means any capital requirement established for a Bank under section 6(a)(3) of the Bank Act (12 U.S.C. 1426(a)(3)) and related regulations that ensures a Bank will hold sufficient permanent capital and reserves to support the risks that arise from its operations.

Safety and Soundness Act means the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 (12 U.S.C. 4501 *et seq.*) as amended.

erally accepted accounting principles in the United States (GAAP) less the amount of any assets that would be intangible assets under GAAP.

Total capital means the sum of the Bank's permanent capital, the amount paid-in for its Class A stock, the amount of any general allowances for losses, and the amount of any other instruments identified in a Bank's capital plan that the Director has determined to be available to absorb losses incurred by such Bank. For a Bank that has issued neither Class A nor Class B stock, the Bank's total capital shall be the measure of capital used to determine compliance with its minimum capital requirement.

§ 1229.2 Determination of a Bank's capital classification.

(a) *Quarterly determination.* The Director shall determine the capital classification for each Bank no less often than once a quarter based on the capital classifications in § 1229.3 of this subpart. The Director may make a determination with regard to a capital classification for a Bank more often than the minimum required under this paragraph or make a determination for one or more Banks without making a determination for all the Banks.

(b) *Notification to a Bank.* Before finalizing any action to classify a Bank under this section, the Director shall provide a Bank written notice describing the proposed action and an opportunity to submit information that the Bank considers relevant to the proposed action in accordance with § 1229.12 of this subpart.

(c) *Notification to the FHFA.* A Bank shall provide written notification within ten calendar days of any event or development that has caused or is likely to cause its permanent or total capital to fall below the level necessary to maintain its capital classification at the level assigned in the most recent capital classification or reclassification determination by the Director or that is contained in the most recent notice of a proposed capital classification or reclassification provided under § 1229.12(a) of this subpart.

Federal Housing Finance Agency.

§ 1229.4

§ 1229.3 Criteria for a Bank's capital classification.

(a) *Adequately capitalized.* Except where the Director has exercised authority to reclassify a Bank, a Bank shall be considered adequately capitalized if, at the time of the determination under §1229.2(a) of this subpart, the Bank has sufficient permanent and total capital, as applicable, to meet or exceed its risk-based and minimum capital requirements.

(b) *Undercapitalized.* Except where the Director has exercised authority to reclassify a Bank, a Bank shall be considered undercapitalized if, at the time of the determination under §1229.2(a) of this subpart, the Bank does not have sufficient permanent or total capital, as applicable, to meet any one or more of its risk-based or minimum capital requirements but such deficiency is not of a magnitude to classify the Bank as significantly undercapitalized or critically undercapitalized.

(c) *Significantly undercapitalized.* Except where the Director has exercised authority to reclassify a Bank, a Bank shall be considered significantly undercapitalized if, at the time of the determination under §1229.2(a) of this subpart, the amount of permanent or total capital held by the Bank is less than 75 percent of what is required to meet any one of its risk-based or minimum capital requirements but the magnitude of the Bank's deficiency in total capital is not sufficient to classify it as critically undercapitalized.

(d) *Critically undercapitalized.* Except where the Director has exercised authority to reclassify a Bank, a Bank shall be considered critically undercapitalized if, at the time of the determination under §1229.2(a) of this subpart, the total capital held by the Bank is less than or equal to the critical capital level for a Bank as defined under §1229.1 of this subpart.

§ 1229.4 Reclassification by the Director.

(a) *Discretionary reclassification.* Where the Director determines that any of the grounds described in paragraph (b) of this section exist, the Director may reclassify a Bank as:

(1) Undercapitalized, if it is otherwise classified as adequately capitalized;

(2) Significantly undercapitalized, if it is otherwise classified as undercapitalized; or

(3) Critically undercapitalized if it is otherwise classified as significantly undercapitalized.

(b) *Grounds for discretionary reclassification.* Notwithstanding any other provision of this subpart, the Director may at any time reclassify a Bank under this section if:

(1) The Director determines in writing that:

(i) The Bank is engaging in conduct that could result in the rapid depletion of permanent or total capital;

(ii) The value of collateral pledged to the Bank has decreased significantly; or

(iii) The value of property subject to mortgages owned by the Bank has decreased significantly.

(2) The Director determines, after notice to the Bank and opportunity for an informal hearing before the Director, that a Bank is in an unsafe and unsound condition; or

(3) The Director finds, under §1371(b) of Safety and Soundness Act (12 U.S.C. 4631(b)), that the Bank is engaging in an unsafe and unsound practice because the Bank's asset quality, management, earnings or liquidity were found to be less than satisfactory during the most recent examination, and any deficiency has not been corrected.

(c) *Procedures.* Before finalizing any action to reclassify a Bank under this section, the Director shall provide a Bank written notice describing the proposed action and an opportunity to submit information that the Bank considers relevant to the Director's proposed action in accordance with §1229.12 of this subpart.

(d) *Duration.* Any condition, action or inaction by a Bank that is the basis for a decision to reclassify a Bank under this section or under any other authority provided the Director may be considered by the Director and form the basis of further, subsequent actions to reclassify the Bank until such time as the Bank remedies such condition or takes necessary action to correct such situation to the satisfaction of the Director.

(e) *Reservation of authority.* Nothing in this section shall prevent the Director from exercising any other authority under the Safety and Soundness Act, the Bank Act or any regulation to reclassify a Bank for reasons not set forth in paragraph (b) of this section or to take any other action against a Bank.

§ 1229.5 Capital distributions for adequately capitalized Banks.

(a) *Restriction.* An adequately capitalized Bank may not make a capital distribution if after doing so the Bank's capital would be insufficient to maintain a classification of adequately capitalized. A Bank may not make a capital distribution if such distribution would violate any restriction on the redemption or repurchase of capital stock or the payment of a dividend set forth in section 6 of the Bank Act (12 U.S.C. 1426) and any other applicable regulation.

(b) *Exception.* Notwithstanding the restriction in paragraph (a) of this section, the Director may permit a Bank to repurchase or redeem its shares of stock if the transaction is made in connection with the issuance of additional Bank shares or obligations in at least an equivalent amount to the shares that are redeemed or repurchased and will reduce the Bank's financial obligations or otherwise improve its financial condition. Any transaction under this paragraph also must conform with any restriction on the redemption or repurchase of Bank stock set forth in section 6 of the Bank Act (12 U.S.C. 1426) and in any other applicable regulation.

§ 1229.6 Mandatory actions applicable to undercapitalized Banks.

(a) *Mandatory Actions by the Bank.* A Bank that is classified as undercapitalized shall:

(1) Submit to the Director for approval a capital restoration plan that complies with the requirements and procedures established by §1229.11 of this part and receive approval from the Director for such plan;

(2) Fulfill all terms, conditions and obligations contained in the capital restoration plan as approved by the Director;

(3) Not make any capital distribution that would result in the Bank being reclassified as significantly undercapitalized or critically undercapitalized, nor make a capital distribution if such distribution would violate any restriction on the redemption or repurchase of capital stock or the declaration or payment of a dividend set forth in section 6 of the Bank Act (12 U.S.C. 1426) or in any other applicable regulation;

(4) Not permit its average total assets in any calendar quarter to exceed its average total assets during the preceding calendar quarter, where such average is calculated based on the total amount of assets held by the Bank for each day in a quarter, unless:

(i) The Director has approved the Bank's capital restoration plan; and

(ii) The Director determines that:

(A) The increase in total assets is consistent with the approved capital restoration plan; and

(B) The ratio of tangible equity to the Bank's total assets is increasing at a rate sufficient to enable the Bank to become adequately capitalized within a reasonable time and consistent with any schedule established in the capital restoration plan; and

(5) Not acquire, directly or indirectly, an equity interest in any operating entity (other than as necessary to enforce a security interest granted to the Bank) nor engage in any new business activity unless:

(i) The Director has approved the Bank's capital restoration plan, the Bank is implementing the capital restoration plan and the Director determines that proposed acquisition or activity will further achievement of the goals set forth in that plan; or

(ii) The Director determines that the proposed acquisition or activity will be consistent with the safe and sound operation of the Bank and will further the Bank's compliance with its risk-based and minimum capital requirements in a reasonable period of time.

(b) *Mandatory reclassification by the Director.* The Director shall reclassify an undercapitalized Bank as significantly undercapitalized if:

(1) The Bank does not submit a capital restoration plan that is substantially in compliance with §1229.11 of

Federal Housing Finance Agency.

§ 1229.8

this subpart and within the time frame required.

(2) The Director does not approve the capital restoration plan submitted by the Bank; or

(3) The Director determines that the Bank has failed in any material respect to comply with its approved capital restoration plan or fulfill any schedule for action established by that plan.

(c) *Monitoring.* The Director shall monitor the condition of any undercapitalized Bank and monitor the Bank's compliance with the capital restoration plan and any restrictions imposed under this section or § 1229.7 of this subpart. As part of this process, the Director shall review the capital restoration plan and any restrictions or requirements imposed on the undercapitalized Bank to determine whether such plan, restrictions or requirements are consistent with the safe and sound operation of the Bank and will further the Bank's compliance with its risk-based and minimum capital requirements in a reasonable period of time.

§ 1229.7 Discretionary actions applicable to undercapitalized Banks.

(a) *Discretionary safeguards.* The Director may take any action with regard to an undercapitalized Bank that may be taken with regard to a significantly undercapitalized Bank under section 1366 of the Safety and Soundness Act (12 U.S.C. 4616) or § 1229.7 or § 1229.8 of this subpart if the Director determines that such action is necessary to assure the safe and sound operation of the Bank and the Bank's compliance with its risk-based and minimum capital requirements in a reasonable period of time.

(b) *Procedures.* Before finalizing any action under this section, the Director shall provide a Bank written notice describing the proposed action or actions and an opportunity to submit information that the Bank considers relevant to the Director's decision to take such action in accordance with § 1229.12 of this subpart.

§ 1229.8 Mandatory actions applicable to significantly undercapitalized Banks.

(b) Fulfill all terms, conditions and obligations contained in the capital restoration plan once the plan is approved by the Director;

(c) Shall not make any capital distribution that would result in the Bank being reclassified as critically undercapitalized or that would violate any restriction on the redemption or repurchase of capital stock or the payment of a dividend set forth in section 6 of the Bank Act (12 U.S.C. 1426) or any applicable regulation;

(d) Shall not make any capital distribution not otherwise prohibited under paragraph (c) of this section absent the prior written approval of the Director, provided that the Director may approve such distribution only if the Director determines that:

(1) The capital distribution will enhance the ability of the Bank to meet its risk-based and minimum capital requirements promptly;

(2) The capital distribution will contribute to the long-term financial safety and soundness of the Bank; or

(3) The capital distribution is otherwise in the public interest;

(e) Shall not without prior written approval of the Director pay a bonus to any executive officer, provided that for purposes of this paragraph a bonus shall include any amount paid or accruing to an executive officer under a profit sharing arrangement;

(f) Shall not without the prior written approval of the Director compensate an executive officer at a rate exceeding the average rate of compensation of that officer during the 12 months preceding the calendar month in which the Bank became significantly undercapitalized, provided however, that for purposes of calculating the executive officer's average rate of compensation, such compensation shall not include any bonus or profit sharing

(g) Comply with §1229.6(a)(4) and (a)(5) of this subpart; and

(a) *Actions by the Director.* The Director shall carry out this section by taking, at any time, one or more of the following actions with respect to a significantly undercapitalized Bank:

(1) Limit the increase in any obligations or class of obligations of the Bank, including any off-balance sheet obligations. Such limitation may be stated in an absolute dollar amount, as a percentage of current obligations or in any other form chosen by the Director;

(2) Reduce the amount of any obligations or class of obligations held by the Bank, including any off-balance sheet obligations. Such reduction may be stated in an absolute dollar amount, as a percentage of current obligations or in any other form chosen by the Director;

12 CFR Ch. XII (1–1–11 Edition)

(i) Ordering a new election for the Bank's board of directors in accordance with procedures established by the Director;

(ii) Dismissing particular directors or executive officers, in accordance with section 1366(b)(5)(B) of the Safety and Soundness Act (12 U.S.C. 4616(b)(5)(B)), who held office for more than 180 days immediately prior to the date on which the Bank became undercapitalized, provided further that such dismissals shall not be considered removal pursuant to an enforcement action under section 1377 of the Safety and Soundness Act (12 U.S.C. 4636a) and shall not be subject to the requirements necessary to remove an officer or director under that section; or

(iii) Ordering the Bank to hire qualified executive officers, the hiring of whom, prior to employment by the Bank and at the option of the Director, may be subject to review and approval by the Director; or

(8)(i) Reclassify a significantly undercapitalized Bank as critically undercapitalized if:

(A) The Bank does not submit a capital restoration plan that is substantially in compliance with §1229.11 of this part and within the time frame required;

(B) The Director does not approve the capital restoration plan submitted by the Bank; or

(C) The Director determines that the Bank has failed to make reasonable, good faith efforts to comply with its approved capital restoration plan and fulfill any schedule established by that plan.

(ii) Subject to paragraph (c) of this section, the Director may reclassify a significantly undercapitalized Bank under paragraph (a)(8)(i) of this section at any time the grounds for such action exist, notwithstanding the fact that such grounds had formed the basis on which the Director reclassified a Bank from undercapitalized to significantly undercapitalized.

(b) *Additional safeguards.* The Director may require a significantly undercapitalized Bank to take any other action not specifically listed in this section if the Director determines such action will help ensure the safe and sound operation of the Bank and the Bank's

Federal Housing Finance Agency.

§ 1229.11

compliance with its risk-based and minimum capital requirements in a reasonable period of time more than any action specifically authorized under paragraph (a) of this section.

(c) *Procedures.* Before finalizing any action under this section, the Director shall provide a Bank written notice describing the proposed action or actions and an opportunity to submit information that the Bank considers relevant to the Director's decision to take such action in accordance with § 1229.12 of this subpart.

§ 1229.10 Actions applicable to critically undercapitalized Banks.

(a) *Appointment of conservator or receiver.* Notwithstanding any other provision of federal or state law, the Director may appoint the FHFA as conservator or receiver of any Bank at any time after the Director determines that the Bank is, or the Director otherwise exercises authority to reclassify the Bank as, critically undercapitalized.

(b) *Periodic determination*—(1) *Determination.* Not later than 30 calendar days after the Director first determines that a Bank is, or the Director otherwise exercises authority to reclassify the Bank as, critically undercapitalized, and a least once during each succeeding 30-day calendar period, the Director make a determination in writing as to whether:

(i) The assets of the Bank are, and during the preceding 60 calendar days have been, less than its obligations to its creditors and others, provided that the Director shall consider as an obligation only that amount of outstanding consolidated obligations for which the Bank is primary obligor or for which the Bank has been ordered to make payments of principal or interest on behalf of another Bank, or is actually making payments of principal or interest on behalf of another Bank; or

(ii) The Bank is not, and during the previous 60 calendar days has not been paying its debts on a regular basis as such debts become due, provided that this provision does not apply to any unpaid debts that are the subject of a *bona fide* dispute.

(2) *Mandatory receivership.* If the Director determines that the conditions

described in either paragraph (b)(1)(i) or (b)(1)(ii) of this section applies to a Bank, the Director shall appoint the FHFA as receiver for the Bank. The appointment of the FHFA as receiver under this paragraph shall immediately terminate any conservatorship established for the Bank.

(3) *Determination not required.* A determination under paragraph (b)(1) of this section shall not be required during any period in which the FHFA serves as receiver for a Bank.

(c) *Judicial review.* If the Director appoints the FHFA as conservator or receiver of a Bank under paragraph (a) or (b)(2) of this section, the Bank may within 30 days of such appointment bring an action in the United States district court for the judicial district in which the Bank was established pursuant to section 3 of the Bank Act (12 U.S.C. 1423) or in the United States District Court for the District of Columbia, for an order requiring the FHFA to remove itself as conservator or receiver.

(d) *Other applicable actions.* Until such time as FHFA is appointed as conservator or receiver for a critically undercapitalized Bank, a critically undercapitalized Bank shall be subject to all mandatory restrictions or obligations applicable to a significantly undercapitalized Bank under § 1229.8 of this subpart and will remain subject to any on-going restrictions or obligations that the Director imposed on the Bank under § 1229.7 or § 1229.9 of this subpart, or any restrictions or obligations that are applicable to the Bank under the terms of an approved capital restoration plan.

[74 FR 5604, Jan. 30, 2009, as amended at 74 FR 38513, Aug. 4, 2009]

§ 1229.11 Capital restoration plans.

(a) *Contents.* Each capital restoration plan submitted by a Bank shall set forth a plan to restore its permanent and total capital to levels sufficient to fulfill its risk-based and minimum capital requirements within a reasonable period of time. Such plan must be feasible given general market conditions and the conditions of the Bank and, at a minimum, shall:

(1) Describe the actions the Bank will take, including any changes that the

§ 1229.11

Bank will make to member stock purchase requirements, to assure that it will become adequately capitalized within the meaning of § 1229.3(a) of this subpart and, if appropriate, to resolve any structural or long term causes for the capital deficiency;

(2) Specify the level of permanent and total capital the Bank will achieve and maintain and provide quarterly projections indicating how each component of total and permanent capital and the major components of income, assets and liabilities are expected to change over the term of the plan;

(3) Specify the types and levels of activities in which the Bank will engage during the term of the plan, including any new business activities that it intends to begin during such term;

(4) Describe any other actions the Bank intends to take to comply with any other requirements imposed on it under this subpart A of part 1229;

(5) Provide a schedule which sets forth dates for meeting specific goals and benchmarks and taking other actions described in the proposed capital restoration plan, including setting forth a schedule for it to restore its permanent and total capital to levels necessary for meeting its risk-based and minimum capital requirements; and

(6) Address such other items that the Director shall provide in writing in advance of such submission.

(b) *Deadline for submission.* A Bank must submit a proposed capital restoration plan no later than 15 business-days after it receives written notification that such a plan is required either because the notice specifically states that the Director has required the submission of a plan or the notice indicates that the Bank's capital classification or reclassification is to a category for which a capital restoration plan is a mandatory action required of the Bank. The Director may extend this deadline if the Director determines that such extension is necessary. Any such extension shall be in writing and provide a specific date by which the Bank must submit its proposed capital restoration plan.

(c) *Review of the plan by the Director.* The Director shall have 30 calendar days from the date the Bank submits a

12 CFR Ch. XII (1-1-11 Edition)

proposed capital restoration plan to approve or disapprove the plan. The Director may extend the period for consideration of a capital restoration plan for a single 30 calendar day period by providing the Bank with written notification that the decision deadline has been extended. The Director shall provide the Bank with written notification of the decision to approve or not approve a proposed capital restoration plan. If the Director does not approve the capital restoration plan, the written notification of such decision shall provide the reasons for the disapproval.

(d) *Resubmission.* If the Director does not approve the Bank's proposed capital restoration plan, the Bank shall submit a new capital restoration plan acceptable to the Director within 30 calendar days of the date that the Bank was notified of the disapproval. The Director may extend the period for the Bank's submission of a new acceptable capital restoration plan upon a determination that such extension is in the public interest. The Director shall provide the Bank written notice of the extension and include in such notice the date by which the Bank must submit an acceptable plan.

(e) *Amendments.* The Director, in his or her sole discretion, may approve amendments to an approved capital restoration plan if, after consideration of changes in conditions of the Bank, changes in market conditions and other relevant factors, the Director determines that such amendments are consistent with the restoration of the Bank's capital to levels necessary to meet its risk-based and minimum capital requirements in a reasonable period of time and with the safe and sound operations of the Bank.

(f) *Effectiveness of provisions.* A Bank is obligated to implement and fulfill all provisions of an approved capital restoration plan. Unless expressly addressed by the terms of the capital restoration plan, a Bank remains bound by each and every obligation and requirement set forth in the approved capital restoration plan until such requirement or obligation is amended under paragraph (e) of this section or terminated in writing by the Director.

Federal Housing Finance Agency.

§ 1229.12

(g) *Appointment of conservator or receiver.* Notwithstanding any other provision of federal or state law, the Director may appoint the FHFA as conservator or receiver of any Bank that is classified as undercapitalized or significantly undercapitalized if the Bank fails to submit a capital restoration plan acceptable to the Director within the time frames established by this section or if the Bank materially fails to implement any capital restoration plan that has been approved by the Director. A Bank may within 30 days of such appointment bring an action in the United States district court for the judicial district in which the Bank is established pursuant to section 3 of the Bank Act (12 U.S.C. 1423) or in the United States District Court for the District of Columbia, for an order requiring the FHFA to remove itself as conservator or receiver.

§ 1229.12 Procedures related to capital classification and other actions.

(a) *Classification or reclassification of a Bank.* Before finalizing any decision to classify a Bank under §1229.2(a) of this subpart or reclassify the Bank under §1229.4(a) of this subpart, the Director shall provide the Bank with written notification of the proposed action that states the reasons for the proposed action and describes the information on which the proposed action is based. The notice required under this paragraph may be combined with the notice of a proposed supervisory action required under paragraph (b) of this section. The Director also may combine a notice informing the Bank of its capital classification and simultaneously informing the Bank that the Director intends to reclassify a Bank to a lower capital classification category.

(b) *Notice of a supervisory action.* Before finalizing any action or actions authorized under §1229.7 or §1229.9 of this subpart, the Director shall provide the Bank with written notification of the proposed action that states the reasons for the proposed action and describes the information on which the proposed action is based. The notice required under this paragraph may be combined with the notice of a proposed

action to classify or reclassify the Bank required under paragraph (a) of this section.

(c) *Bank response.* During the 30 calendar day period beginning on the date that the Bank is provided notice under paragraph (a) or (b) of this section of a proposed action or actions, a Bank may submit to the Director any information that the Bank considers relevant or appropriate for the Director to consider in determining whether to finalize the proposed action. The Director may, in his or her sole discretion, convene an informal hearing with representatives of the Bank to receive or discuss any such information. The Director, in his or her sole discretion, also may extend the period in which the Bank may respond to a notice for an additional 30 calendar days for good cause, or shorten such comment period if the Director determines the condition of the Bank requires faster action or a shorter comment period or if the Bank consents to a shorter comment period. The Director shall inform the Bank in writing, which may be provided as part of the notice required under paragraphs (a) or (b) of this section, of any decision to extend or shorten the comment period. The failure of a Bank to provide information during the allotted comment period will waive any right of the Bank to comment on the proposed action.

Such notice shall respond to any information submitted by the Bank. Any final order that the Bank take action, refrain from action or comply with any other requirement that was the subject of a notice under paragraph (b) of this section shall take effect upon the Bank's receipt of the notice required under this paragraph, unless a different effective date is set forth in this notice, and shall remain in effect and binding on the Bank until terminated in writing by the Director or until any terms and

conditions for termination, as set forth in the notice, have been met.

(e) *Final actions under this section.* Any final decision that the Bank take action, refrain from action or comply with any other requirement that was the subject of a notice under paragraph (b) of this section shall constitute an order under the Safety and Soundness Act. The Director in his or her discretion may apply to the United States District Court for the District of Columbia or to the United States district court for the judicial district in which the Bank in question is established pursuant to section 3 of the Bank Act (12 U.S.C. 1423) for the enforcement of such order, as allowed under §1375 of the Safety and Soundness Act (12 U.S.C. 4635). In addition, a Bank or any executive officer or director of a Bank can be subject to enforcement action, including the imposition of civil monetary penalties, under §1371, §1372 or §1376 of the Safety and Soundness Act (12 U.S.C. 4631, 4632, or 4636) for failure to comply with such an order.

(f) *Judicial review.* A Bank that is not classified as critically undercapitalized may obtain judicial review of any final capital classification decision or of any final decision to take supervisory action made by the Director under §1229.2, §1229.4, §1229.7 or §1229.9 in accordance with the requirements and procedures set forth in §1369D of the Safety and Soundness Act (12 U.S.C. 4623).
