If you have outstanding Participating Securities or Earmarked Assets, you may make two types of optional Distributions under this §107.1570: quarterly Distributions determined the same way as the required annual Distributions in §107.1560, and Distributions allocated between SBA and your private investors in proportion to the capital contributions of each. (3) You may make such Distributions only on the next Payment Date following the end of your fiscal quarter.

(4) The total amount of such Distributions may not exceed the result of the following computation:

(i) Your Retained Earnings Available for Distribution as of the end of your fiscal quarter; minus

(ii) All previous Distributions under this paragraph (a) or §107.1560 that were applied as redemptions or repayments of Leverage; plus

(iii) All previous Distributions under paragraph (b) of this section that reduced your Retained Earnings Available for Distribution.

(b) Other optional Distributions. On any Payment Date, you may make additional Distributions to your private investors and to SBA (or its designated agent or Trustee) under this paragraph (b).
