§ 120.812 Probationary period for newly certified CDCs.

(a) Newly certified CDCs will be on probation for a period of two years from the date of certification, at the end of which the CDC must petition the Lead SBA Office for:

(1) Permanent CDC status; or

(2) A single, one-year extension of probation.

(b) SBA will consider the failure to file a petition before the end of the probationary period as a withdrawal from the 504 program. If the CDC elects withdrawal, SBA will direct the CDC to transfer all funded and/or approved loans to another CDC, SBA, or another servicer approved by SBA.

(c) The Lead SBA Office will send the petition and its recommendation to the D/FA, who will make the final decision. SBA will determine permanent CDC status or an extension of probation, in part, based upon the CDC’s compliance with the certification and operational requirements in §§120.820 through 120.830. To be considered for permanent CDC status or an extension of probation, the CDC must have satisfactory SBA performance, as determined by SBA in its discretion. The CDC’s Risk Rating, among other factors, will be considered in determining satisfactory SBA performance. Other factors may include, but are not limited to, on-site review/examination assessments, historical performance measures (like default rate, purchase rate and loss rate), loan volume to the extent that it impacts performance measures, and other performance related measurements and information (such as contribution toward SBA mission).

§ 120.821 CDC Area of Operations.

A CDC must operate only within its designated Area of Operations approved by SBA except as provided in §120.839.
