§ 123.405 How much can your business borrow with a pre-disaster mitigation loan?

Your business, together with its affiliates, may borrow up to $50,000 each fiscal year. This loan amount may be used to fund only those projects that were a part of your business’ approved loan request. SBA will consider mitigation measures costing more than $50,000 per year if your business can identify, as a part of its Pre-Disaster Mitigation Small Business Loan Application, sources that will fund the cost above $50,000.

§ 123.406 What is the interest rate on a pre-disaster mitigation loan?

The interest rate on a pre-disaster mitigation loan will be fixed at 4 percent per annum or less. The exact interest rate will be stated in the FEDERAL REGISTER notice announcing each filing period (see § 123.407).

§ 123.407 When does your business apply for a pre-disaster mitigation loan and where does your business get an application?

SBA will publish a notice in the FEDERAL REGISTER announcing the availability of pre-disaster mitigation loans. The notice will designate a 30-day application filing period with a specific opening date and filing deadline, as well as the locations for obtaining and filing loan applications. In addition to the FEDERAL REGISTER, SBA will coordinate with FEMA, and will issue press releases to the local media to inform potential loan applicants where to obtain loan applications. SBA will not accept any applications postmarked after the filing deadline; however, SBA may announce additional application periods each year depending on the availability of program funds.
