based in universities or nonprofit organizations shall be subject to OMB requirements (see OMB Circular A–110). Program income for recipient organizations or SBDC service providers based in State or local governments shall be subject to OMB requirements (see the provisions of § 7.e and Attachment E of OMB Circular A–102) and 13 CFR 143.25.

(b) Program income, including any interest earned on Program income, must be used to expand the quantity or quality of services, resources or outreach provided by the SBDC network. It cannot be used to satisfy the requirements for Matching Funds. The Project Officer shall monitor the use of Program income. Any unused Program income will be carried over to a subsequent budget period.

(c) SBDCs must report in detail on standard SBA forms receipts and expenditures of program income, including any income received through co-sponsored activities. A narrative description of how Program income was used to accomplish Program objectives shall be included.

§ 130.500 Funding.

The SBA funds Cooperative Agreements through its internal Letter of Credit Replacement System (LORS), using SBA standard forms to establish and modify letters of credit. SBDCs must use SBA standard forms to draw down funds required to meet their estimated or actual expenses and to submit quarterly cash transactions reports used by SBA to monitor the frequency of drawdowns and the cash-on-hand balance. Repeated drawdowns in excess of immediate cash needs may result in the cancellation of the letter of credit. If interest results from the deposit of any drawdowns in an interest-bearing account, SBDCs, other than State government sponsored SBDCs, must report and return such interest annually to SBA.
