§ 158.51 Remittance of PFC’s.

Passenger facility charges collected by carriers shall be remitted to the public agency on a monthly basis. PFC revenue recorded in the accounting system of the carrier, as set forth in §158.49 of this part, shall be remitted to the public agency no later than the last day of the following calendar month (or if that date falls on a weekend or holiday, the first business day thereafter).

§ 158.53 Collection compensation.

(a) As compensation for collecting, handling, and remitting the PFC revenue, the collecting air carrier is entitled to:

(1) $0.11 of each PFC collected.

(2) Any interest or other investment return earned on PFC revenue between the time of collection and remittance to the public agency.

(b) A covered air carrier that fails to designate a separate PFC account is prohibited from collecting interest on the PFC revenue. Where a covered air carrier maintains a separate PFC account in compliance with §158.49(c), it will receive the interest on PFC accounts as described in paragraph (a)(2) of this section.

(c) (1) Collecting air carriers may provide collection cost data periodically to the FAA after the agency issues a notice in the Federal Register that specifies the information and deadline for filing the information. Submission of the information is voluntary. The requested information must include data on interest earned by the air carriers on PFC revenue and air carrier collection, handling, and remittance costs in the following categories:

(i) Credit card fees;

(ii) Audit fees;

(iii) PFC disclosure fees;

(iv) Reservations costs;

(v) Passenger service costs;

(vi) Revenue accounting, data entry, accounts payable, tax, and legal fees;

(vii) Corporate property department costs;

(viii) Training for reservations agents, ticket agents, and other departments;

(ix) Ongoing carrier information systems costs;

(x) Ongoing computer reservations systems costs; and

(xi) Airline Reporting Corporation fees.

(2) The FAA may determine a new compensation level based on an analysis of the data provided under paragraph (c)(1) of this section, if the data is submitted by carriers representing at least 75 percent of PFCs collected nationwide.

(3) Any new compensation level determined by the FAA under paragraph (c)(2) of this section will replace the level identified in paragraph (a)(1) of this section.
