§ 291.24 Waiver of Department Economic Regulations.

Except for this part and those parts of the Department’s Economic Regulations (parts 200 through 299 of this title) specifically referred to in this part, carriers providing cargo operations in interstate air transportation are, with respect to that transportation, relieved from all obligations imposed on air carriers by those economic regulations. Flights operated entirely within interstate air transportation shall be free from those obligations, even though they may also carry shipments to or from points outside that geographic area. This waiver shall not apply to the requirements of part 239 of this title.

§ 291.30 General.

The following exemptions, except as otherwise specifically noted, apply only to cargo operations in interstate air transportation. They do not relieve a carrier from obligations derived from other transportation.

§ 291.31 Exemptions from the Statute.

(a) Each section 41102 or 41103 air carrier providing cargo operations in interstate air transportation is, with respect to such transportation, exempted from the following portions of the Statute only if and so long as it complies with the provisions of this part and the conditions imposed herein, and to the extent necessary to permit it to conduct such cargo operations in interstate air transportation:

1. Sections 41310, 41705,
2. Chapter 415, and
3. Chapter 419 for all-cargo operations under section 41103.

(b) Each air carrier providing cargo operations in interstate air transportation under section 41103 of the Statute is exempted from the provisions of section 41106(a) of the Statute to the extent necessary to permit it to compete for and operate cargo charters in interstate air transportation for the Department of Defense under contracts of more than 30 days’ duration.

(c) The Department of Defense is exempted from section 41106(a) of the Statute to the extent necessary to permit it to negotiate and enter into contracts of more than 30 days’ duration with any section 41103 carrier for operation of cargo charters in interstate air transportation.

§ 291.40 Financial and statistical reporting—general.

(a) Carriers providing cargo operations in interstate air transportation that also conduct other operations under section 41102 shall comply with the provisions of part 241 of this title.

(b) Carriers providing cargo operations in interstate air transportation under section 41103 certificates shall comply with § 291.42.

(c) Carriers providing cargo operations in interstate air transportation under section 41103, and also providing other services under part 298 of this title, shall report all other traffic in accordance with subpart F of part 298.
