§ 14.3 Effect on other issuances.

For awards subject to this part, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this part shall be superseded, except to the

extent they are required by statute, or authorized in accordance with the deviations provision in § 14.4.

§ 14.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this part when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this part shall be permitted only in unusual circumstances. The Assistant Secretary may apply more restrictive requirements to a class of recipients when approved by OMB. The Assistant Secretary may apply less restrictive requirements when awarding small awards, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by the Assistant Secretary. An exception made on a case-by-case basis will apply to a single award.

§ 14.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals, other non-profit, or commercial organizations. This part also applies to subrecipients performing work under awards if the subrecipients are foreign governments, organizations under the jurisdiction of foreign governments, and international organizations unless otherwise determined by the Grants Officer.
