§ 712.8 Inspection-related amendments. If, following completion of an inspection (see parts 716 and 717 of the CWCR), you are required to submit an amended declaration based on the final inspection report, BIS will notify you in writing of the information that will be required pursuant to §§716.10 and 717.5 of the CWCR. You must submit an amended declaration to BIS no later than 45 days following your receipt of the BIS post-inspection letter.

(e) Non-substantive changes. If, subsequent to the submission of your declaration or report to BIS, you discover one or more non-substantive typographical errors in your declaration or report, you are not required to submit an amended declaration or report to BIS. Instead, you may correct these errors in a subsequent declaration or report.

(f) Documentation required for amended declarations or reports. If you are required to submit an amended declaration or report to BIS, you must submit either:

(1) A letter containing all of the corrected information required, in accordance with the provisions of this section, to amend your declaration or report; or

(2) Both of the following:

(i) A new Certification Form (i.e., Form 1–1); and

(ii) The specific forms (e.g., annual declaration on past activities) containing the corrected information required, in accordance with the provisions of this part 712, to amend your declaration or report.

§ 712.9 Deadlines for submission of Schedule 1 declarations, reports, advance notifications, and amendments.

Declarations, reports, advance notifications, and amendments required under this part must be postmarked by the appropriate date identified in supplement no. 2 to this part 712. Required declarations, reports, advance notifications, and amendments include:

(a) Annual declaration on past activities (Schedule 1 chemical production during the previous calendar year);

(b) Annual report on exports and imports of Schedule 1 chemicals from facilities, trading companies, and other persons (during the previous calendar year);

(c) Combined declaration and report (production of Schedule 1 chemicals, as well as exports or imports of the same or different Schedule 1 chemicals, by a declared facility during the previous calendar year);

(d) Annual declaration on anticipated activities (anticipated production of Schedule 1 chemicals in the next calendar year);

(e) Advance notification of any export to or import from another State Party;

(f) Initial declaration of a new Schedule 1 chemical production facility; and

(g) Amended declaration or report, including combined declaration and report.
