§922.166 Emergency regulations.

Where necessary to prevent or minimize the destruction of, loss of, or injury to a Sanctuary resource or quality, or minimize the imminent risk of such destruction, loss, or injury, any and all activities are subject to immediate temporary regulation, including prohibition. Emergency regulations shall not take effect in Florida territorial waters until approved by the Governor of the State of Florida. Any temporary regulation may be in effect for up to 60 days, with one 60-day extension. Additional or extended action will require notice and comment rulemaking under the Administrative Procedure Act, notice in local newspapers, notice to Mariners, and press releases.

§922.166 Permits other than for access to the Tortugas Ecological Reserve—application procedures and issuance criteria.

(a) National Marine Sanctuary General Permit. (1) A person may conduct an activity prohibited by §§922.163 or 922.164, other than an activity involving the survey/inventory, research/recovery, or deaccession/transfer of Sanctuary historical resources, if such activity is specifically authorized by, and provided such activity is conducted in accordance with the scope, purpose, terms and conditions of, a National Marine Sanctuary General permit issued under this paragraph (a).

(2) The Director, at his or her discretion, may issue a General permit under this paragraph (a), subject to such terms and conditions as he or she deems appropriate, if the Director finds that the activity will:

(i) Further research or monitoring related to Sanctuary resources and qualities;

(ii) Further the educational value of the Sanctuary;

(iii) Further the natural or historical resource value of the Sanctuary;

(iv) Further salvage or recovery operations in or near the Sanctuary in connection with a recent air or marine casualty;

(v) Assist in managing the Sanctuary;

(vi) Otherwise further Sanctuary purposes, including facilitating multiple use of the Sanctuary, to the extent compatible with the primary objective of resource protection.

(3) The Director shall not issue a General permit under this paragraph (a), unless the Director also finds that:

(i) The applicant is professionally qualified to conduct and complete the proposed activity;

(ii) The applicant has adequate financial resources available to conduct and complete the proposed activity;

(iii) The duration of the proposed activity is no longer than necessary to achieve its stated purpose;

(iv) The methods and procedures proposed by the applicant are appropriate to achieve the proposed activity’s goals in relation to the activity’s impacts on Sanctuary resources and qualities;

(v) The proposed activity will be conducted in a manner compatible with the primary objective of protection of Sanctuary resources and qualities, considering the extent to which the conduct of the activity may diminish or enhance Sanctuary resources and qualities, any indirect, secondary or cumulative effects of the activity, and the duration of such effects;

(vi) It is necessary to conduct the proposed activity within the Sanctuary to achieve its purposes; and

(vii) The reasonably expected end value of the activity to the furtherance
