Federal Trade Commission  
§ 300.25

(b) Mandatory. The disclosure as above provided shall be made in all instances where such form of marking is necessary to avoid deception.

§ 300.23 Linings, paddings, stiffening, trimmings and facings.

(a) In labeling or marking garments or articles of apparel which are wool products, the fiber content of any linings, paddings, stiffening, trimmings or facings of such garments or articles of apparel shall be given and shall be set forth separately and distinctly in the stamp, tag, label, or other mark of identification of the products.

(1) If such linings, trimmings or facings contain, purport to contain or are represented as containing wool, or recycled wool; or

(2) If such linings are metallically coated, or coated or laminated with any substance for warmth, or if such linings are composed of pile fabrics, or any fabrics incorporated for warmth or represented directly or by implication as being incorporated for warmth, which articles the Commission finds constitute a class of articles which is customarily accompanied by express or implied representations of fiber content; or

(3) If any express or implied representations of fiber content of any of such linings, paddings, stiffening, trimmings or facings are customarily made.

(b) In the case of garments which contain interlinings, the fiber content of such interlinings shall be set forth separately and distinctly as part of the required information on the stamp, tag, label, or other mark of identification of such garment.

(c) In the case of garments which contain interlinings, the fiber content of such interlinings shall be set forth separately and distinctly as part of the required information on the stamp, tag, label, or other mark of identification of such garment. For purposes of this paragraph (b) the term interlining means any fabric or fibers incorporated into a garment or article of wearing apparel as a layer between an outer shell and an inner lining.

(d) Wool products which are or have been manufactured for sale or sold for use as linings, interlinings, paddings, stiffening, trimmings or facings, but not contained in a garment, article of apparel, or other product, shall be labeled or marked with the required information as in the case of other wool products.

§ 300.24 Representations as to fiber content.

(a) Words, coined words, symbols, or depictions which constitute or imply the name or designation of a fiber which is not present in the product shall not appear on labels. Any word or coined word which is phonetically similar to the name or designation of a fiber or which is only a slight variation in spelling from the name or designation of a fiber shall not be used in such a manner as to represent or imply that such fiber is present in the product when the fiber is not present as represented.

(b) Where a word, coined word, symbol or depiction which connotes or implies the presence of a fiber is used on any label, whether required or non-required, a full and complete fiber content disclosure with percentages shall be made on such label in accordance with the Act and regulations.

§ 300.25 Country where wool products are processed or manufactured.

(a) In addition to the other information required by the Act and Regulations:

(1) Each imported wool product shall be labeled with the name of the country where such imported product was processed or manufactured;

(2) Each wool product completely made in the United States of materials that were made in the United States shall be labeled using the term Made in U.S.A. or some other clear and equivalent term.
§ 300.25a  Country of origin in mail order advertising.

When a wool product is advertised in any mail order catalog or mail order promotional material, the description of such product shall contain a clear
