Consumer Product Safety Commission

§ 1012.5 Recordkeeping for agency meetings.

(a) This section describes and establishes requirements for the two types of records maintained for Agency meetings, Agency meeting summaries and transcripts.

(b) Agency meeting summaries. Agency meeting summaries are written records settling forth the issues discussed at all Agency meetings with outside parties involving substantial interest matters. Any Commission employee who holds or attends an Agency meeting involving a substantial interest matter must prepare a meeting summary. However, only one agency meeting summary is required for each meeting even if more than one CPSC employee holds or attends the meeting. Agency meeting summaries are generally available to the public in the Agency’s Public Reading Room in the Office of the Secretary as described in paragraph (b)(2) of this section.

(1) An agency meeting summary should state the essence of all substantive matters relevant to the Agency, especially any matter discussed which was not listed on the Public Calendar, and should describe any decisions made or conclusions reached regarding substantial interest matters. An agency meeting summary should also indicate the date of the meeting and the identity of persons who attended.

(2) An agency meeting summary or a notice of cancellation of the meeting must be submitted to the Office of the Secretary within twenty (20) calendar days after the meeting for which the summary is required. The Office of the Secretary shall maintain a file of the meeting summaries in chronological order, which shall be available to the public to the extent permitted by law.

(c) Transcripts. Transcripts are generally taken at public hearings and certain Agency meetings when complex subjects indicate verbatim records are desirable. The transcript may also include exhibits submitted to be part of the formal record of an Agency meeting. Copies of such transcripts are placed on file for public inspection in the Office of the Secretary.

§ 1012.6 The news media.

The Agency recognizes that the news media occupy a unique position in informing the public of the Agency’s activities. The Commission believes that the inherently public nature of the news media allows their activities to be exempt from the requirements of this part whenever Agency meetings are held with the news media for the purpose of informing them about Agency activities. Such Agency meetings are not exempt in the event that any representative of the news media attempts to influence any Agency employee on a substantial interest matter.

§ 1012.7 Telephone conversations.

(a) Telephone conversations present special problems regarding Agency meetings. The Commission recognizes that persons outside the Agency have a legitimate right to receive information and to present their views regarding Agency activities. The Commission also recognizes that such persons may not have the financial means to travel to meet with Agency employees. However, because telephone conversations, by their very nature, are not susceptible to public attendance, or participation, Agency employees must take care to ensure that telephone conversations are not utilized to circumvent the provisions of this part.

(b) Two basic rules apply to telephone conversations:

(1) Any Agency employee holding a telephone conversation in which substantial interest matters are discussed with an outside party must prepare a telephone call summary of the conversation. The summary must meet the requirements of §1012.5(b), and must be submitted to the Office of the Secretary within twenty (20) calendar days of the conversation. The Office of the Secretary shall maintain file of telephone call summaries in chronological order which shall be available to the public to the extent permitted by law.

(2) All Agency employees must exercise sound judgment in discussing substantial interest matters during a telephone conversation. In the exercise of such discretion Agency employees should not hesitate to terminate a telephone conversation and insist that the
matters being discussed be postponed until an Agency meeting with appropriate advance public notice may be scheduled, or, if the outside party is financially or otherwise unable to meet with the Agency employee, until the matter is presented to the Agency in writing.

§ 1013.1 General policy considerations; scope.

When the Commissioners of the Consumer Product Safety Commission hold meetings for the purpose of jointly conducting or disposing of Commission business they will conduct these meetings in accordance with the provisions of the Government in the Sunshine Act.
