§ 210.8–01

§ 210.12–04 shall be filed when the restricted net assets (§ 210.4–08(e)(3)) of consolidated subsidiaries exceed 25 percent of consolidated net assets as of the end of the most recently completed fiscal year. For purposes of the above test, restricted net assets of consolidated subsidiaries shall mean that amount of the registrant’s proportionate share of the assets of consolidated subsidiaries (after intercompany eliminations) which as of the end of the most recent fiscal year may not be transferred to the parent company by subsidiaries in the form of loans, advances or cash dividends without the consent of a third party (i.e., lender, regulatory agency, foreign government, etc.). Where restrictions on the amount of funds which may be loaned or advanced differ from the form of cash dividends, the amount least restrictive to the subsidiary shall be used. Redeemable preferred stocks (§ 210.7–03.20) and noncontrolling interests shall be deducted in computing net assets for purposes of this test.

Schedule III—Supplementary insurance information. The schedule prescribed by § 210.12–16 shall be filed giving segment detail in support of various balance sheet and income statement captions. The required balance sheet information shall be presented as of the date of each audited balance sheet filed, and the income statement information shall be presented for each period for which an audited income statement is required to be filed, for each person or group.

Schedule IV—Reinsurance. The schedule prescribed by § 210.12–17 shall be filed for reinsurance ceded and assumed.

Schedule V—Valuation and qualifying accounts. The schedule prescribed by § 210.12–09 shall be filed in support of valuation and qualifying accounts included in the balance sheet (see § 210.4–02).

Schedule VI—Supplemental Information Concerning Property-Casualty Insurance Operations. The information required by § 210.12–18 shall be presented as of the same dates and for the same periods for which the information is reflected in the audited consolidated financial statements required by §§ 210.3–01 and 3–02. The schedule may be omitted if reserves for unpaid property-casualty claims and claim adjustment expenses of the registrant and its consolidated subsidiaries, its unconsolidated subsidiaries and its 50%-or-less-owned equity basis investees did not in the aggregate, exceed one-half of common stockholders’ equity of the registrant and its consolidated subsidiaries as of the beginning of the fiscal year. For purposes of this test, only the proportionate share of the registrant and its other subsidiaries in the reserves for unpaid claims and claim adjustment expenses of 50%-or-less-owned equity investees taken in the aggregate after intercompany eliminations shall be taken into account. § 210.8–01 Preliminary Notes to Article 8

Sections 210.8–01 to 210.8–08 shall be applicable to financial statements filed for smaller reporting companies. These sections are not applicable to financial statements prepared for the purposes of Item 17 or Item 18 of Form 20–F.

Note 1 to § 210.8: Financial statements of a smaller reporting company, as defined by § 229.10(f)(1) of this chapter, its predecessors or any businesses to which the smaller reporting company is a successor shall be prepared in accordance with generally accepted accounting principles in the United States.

Note 2 to § 210.8: Smaller reporting companies electing to prepare their financial statements with the form and content required in this article need not apply the other form and content requirements in Regulation S–X with the exception of the following:

a. The report and qualifications of the independent accountant shall comply with the requirements of Article 2 of this part;

b. The description of accounting policies shall comply with Article 4–08(n) of this part; and

c. Smaller reporting companies engaged in oil and gas producing activities shall follow the financial accounting and reporting standards specified in Article 4–10 of this part with respect to such activities.

To the extent that Article 11–01 of this part (Pro Forma Presentation Requirements) offers enhanced guidelines for the preparation, presentation and disclosure of pro forma financial information, smaller reporting companies may wish to consider these items.

Note 3 to § 210.8: Financial statements for a subsidiary of a smaller reporting company that issues securities guaranteed by the smaller reporting company or guarantees securities issued by the smaller reporting company must be presented as required by § 210.3–10, except that the periods presented are those required by § 210.8–02.

Note 4 to § 210.8: Financial statements for a smaller reporting company’s affiliates whose securities constitute a substantial portion of the collateral for any class of securities registered or being registered must be presented as required by § 210.8–14, except
Securities and Exchange Commission

§ 210.8–03 Interim financial statements.

Interim financial statements may be unaudited; however, before filing, interim financial statements included in quarterly reports on Form 10-Q ($249.308(a) of this chapter) must be reviewed by an independent public accountant using professional standards and procedures for conducting such reviews, as established by generally accepted auditing standards, as may be modified or supplemented by the Commission. If, in any filing, the issuer states that interim financial statements have been reviewed by an independent public accountant, a report of the accountant on the review must be filed with the interim financial statements. Interim financial statements shall include a balance sheet as of the end of the issuer’s most recent fiscal quarter, a balance sheet as of the end of the preceding fiscal year, and income statements and statements of cash flows for the interim period up to the date of such balance sheet and the comparable period of the preceding fiscal year.

(a) Condensed format. Interim financial statements may be condensed as follows:

1. Balance sheets should include separate captions for each balance sheet component presented in the annual financial statements that represents 10% or more of total assets. Cash and retained earnings should be presented regardless of relative significance to total assets. Registrants that present a classified balance sheet in their annual financial statements should present totals for current assets and current liabilities.

2. Income statements should include net sales or gross revenue, each cost and expense category presented in the annual financial statements that exceeds 20% of sales or gross revenues, provision for income taxes, discontinued operations, extraordinary items and cumulative effects of changes in accounting principles or practices. (Financial institutions should substitute net interest income for sales for purposes of determining items to be disclosed.) Dividends per share should be presented.

3. Cash flow statements should include cash flows from operating, investing and financing activities as well as cash at the beginning and end of each period and the increase or decrease in such balance.

4. Additional line items may be presented to facilitate the usefulness of the interim financial statements, including their comparability with annual financial statements.

(b) Disclosure required and additional instructions as to content—(1) Footnotes. Footnote and other disclosures should be provided as needed for fair presentation and to ensure that the financial statements are not misleading.

2. Material subsequent events and contingencies. Disclosure must be provided of material subsequent events and material contingencies notwithstanding disclosure in the annual financial statements.

3. Significant equity investees. Sales, gross profit, net income (loss) from continuing operations, net income, and net income attributable to the investee must be disclosed for equity investees that constitute 20 percent or more of a registrant’s consolidated assets, equity
