of the complete registration statement, including exhibits and all other papers and documents filed as a part of the statement, shall be filed with the Commission. Each copy shall be bound, in one or more parts, without stiff covers. The binding shall be made on the side or stitching margin in such manner as to leave the reading matter legible. At least one such copy shall be signed by the persons specified in section 6(a) of the Act. Unsigned copies shall be conformed. Three additional copies of the registration statement, similarly bound, also shall be furnished to the Commission for use in the examination of the registration statement, public inspection, copying and other purposes. No exhibits are required to accompany the additional copies of registration statements filed on Form S–8.

(d) Notwithstanding any other provision of this section, if a registration statement is filed pursuant to Rule 462(b) (§230.462(b)) and Rule 110(d) (§230.110(d)), one copy of the complete registration statement, including exhibits and all other papers and documents filed as a part thereof shall be filed with the Commission. (e) Signatures. Where the Act or the rules thereunder, including paragraphs (a) and (c) of this section, require a document filed with or furnished to the Commission to be signed, such document shall be manually signed, or signed using either typed signatures or duplicated or facsimile versions of manual signatures. Where typed, duplicated or facsimile signatures are used, each signatory to the filing shall manually sign a signature page or other document authenticating, acknowledging or otherwise adopting his or her signature that appears in the filing. Such document shall be executed before or at the time the filing is made and shall be retained by the registrant for a period of five years. Upon request, the registrant shall furnish to the Commission or its staff a copy of any or all documents retained pursuant to this section.

Debits in credit categories and credits in debit categories shall be designated so as to be clearly distinguishable as such on photocopies.
