Securities and Exchange Commission

§ 240.14a–16

makes the inquiry required by paragraph (a) of this section, that the registrant will send the annual report to security holders to the beneficial owners so identified.

(d) If a registrant solicits proxies, consents or authorizations from record holders and respondent banks who hold securities on behalf of beneficial owners, the registrant shall cause proxies (or in lieu thereof requests or voting instructions), proxy soliciting material and annual reports to security holders to be furnished, in a timely manner, to beneficial owners of exempt employee benefit plan securities.

§ 240.14a–14 Modified or superseded documents.

(a) Any statement contained in a document incorporated or deemed to be incorporated by reference shall be deemed to be modified or superseded, for purposes of the proxy statement, to the extent that a statement contained in the proxy statement or in any other subsequently filed document that also is or is deemed to be incorporated by reference modifies or replaces such statement.

(b) The modifying or superseding statement may, but need not, state it has modified or superseded a prior statement or include any other information set forth in the document that is not so modified or superseded. The making of a modifying or superseding statement shall not be deemed an admission that the modified or superseded statement, when made, constituted an untrue statement of a material fact, an omission to state a material fact necessary to make a statement not misleading, or the employment of a manipulative, deceptive, or fraudulent device, contrivance, scheme, transaction, act, practice, course of business or artifice to defraud, as those terms are used in the Securities Act of 1933, the Securities Exchange Act of 1934 (“the Act”), the Investment Company Act of 1940, or the rules and regulations thereunder.

(c) Any statement so modified shall not be deemed in its unmodified form to constitute part of the proxy statement for purposes of the Act. Any statement so superseded shall not be deemed to constitute a part of the proxy statement for purposes of the Act.

(a) It shall be unlawful for any person to receive compensation for soliciting proxies, consents, or authorizations directly from security holders in connection with a roll-up transaction as provided in paragraph (b) of this section, if the compensation is:

(1) Based on whether the solicited proxy, consent, or authorization either approves or disapproves the proposed roll-up transaction; or

§ 240.14a–16 Internet availability of proxy materials.

(a)(1) A registrant shall furnish a proxy statement pursuant to § 240.14a–3(a), or an annual report to security holders pursuant to § 240.14a–3(b), to a security holder by sending the security holder a Notice of Internet Availability of Proxy Materials, as described in this section, 40 calendar days or more prior to the security holder meeting date, or
if no meeting is to be held, 40 calendar

follow the full set delivery option set
forth in paragraph (n) of this section, it
must provide the record holder or re-

listed in paragraph (d) of this section
in sufficient time for the record holder
or respondent bank to prepare, print
and send a Notice of Internet Avail-

owners at least 40 calendar days before
the meeting date.

(b)(1) All materials identified in the
Notice of Internet Availability of
Proxy Materials must be publicly ac-

must remain available on that Web site
through the conclusion of the meeting
of security holders.

(2) All additional soliciting materials
sent to security holders or made public
after the Notice of Internet Avail-

or made public.

(3) The Web site address relied upon
for compliance under this section may
not be the address of the Commission’s
electronic filing system.

(4) The registrant must provide secu-
ritv holders with a means to execute a
proxy as of the time the Notice of
Internet Availability of Proxy Mate-
rials is first sent to security holders.

(c) The materials must be presented
on the Web site in a format, or for-

(d) The Notice of Internet Avail-

and encouraging a security holder to
access and review the proxy materials
before voting;

(3) The Internet Web site address
where the proxy materials are avail-
able;

(4) Instructions regarding how a secu-
rity holder may request a paper or e-

charge, including the date by which
they should make the request to facil-
itate timely delivery, and an indication
that they will not otherwise receive a
paper or e-mail copy;

(5) The date, time, and location of
the meeting, or if corporate action is
to be taken by written consent, the
earliest date on which the corporate
action may be effected;

(6) A clear and impartial identifica-

available at the specified Web site;

(8) A toll-free telephone number, an
e-mail address, and an Internet Web

registrant’s future security holder
meetings and for the particular meet-
ing to which the proxy materials being
furnished relate;

(9) Any control/identification num-
bers that the security holder needs to
access his or her form of proxy;

(10) Instructions on how to access the
form of proxy, provided that such in-

if required by §240.14a–3(b), the annual
report to security holders; and

(11) Information on how to obtain di-

(2) The Notice of Internet Availability of Proxy Materials may contain only the information required by paragraph (d) of this section and any additional information required to be included in a notice of security holders meeting under state law; provided that:

(i) The registrant must revise the information on the Notice of Internet Availability of Proxy Materials, including any title to the document, to reflect the fact that:

(A) The registrant is conducting a consent solicitation rather than a proxy solicitation; or

(B) The registrant is not soliciting proxy or consent authority, but is furnishing an information statement pursuant to §240.14c-2; and

(ii) The registrant may include a statement on the Notice to educate security holders that no personal information other than the identification or control number is necessary to execute a proxy.

(f)(1) Except as provided in paragraph (h) of this section, the Notice of Internet Availability of Proxy Materials must be sent separately from other types of security holder communications and may not accompany any other document or materials, including the form of proxy.

(f)(2) Notwithstanding paragraph (f)(1) of this section, the registrant may accompany the Notice of Internet Availability of Proxy Materials with:

(i) A pre-addressed, postage-paid reply card for requesting a copy of the proxy materials;

(ii) A copy of any notice of security holder meeting required under state law if that notice is not combined with the Notice of Internet Availability of Proxy Materials;

(iii) In the case of an investment company registered under the Investment Company Act of 1940, the company’s prospectus, a summary prospectus that satisfies the requirements of §230.498(b) of this chapter, or a report that is required to be transmitted to stockholders by section 30(e) of the Investment Company Act (15 U.S.C. 80a–29(e)) and the rules thereunder; and

(iv) An explanation of the reasons for a registrant’s use of the rules detailed in this section and the process of receiving and reviewing the proxy materials and voting as detailed in this section.

(g) Plain English. (1) To enhance the readability of the Notice of Internet Availability of Proxy Materials, the registrant must use plain English principles in the organization, language, and design of the notice.

(2) The registrant must draft the language in the Notice of Internet Availability of Proxy Materials so that, at a minimum, it substantially complies with each of the following plain English writing principles:

(i) Short sentences;

(ii) Definite, concrete, everyday words;

(iii) Active voice;

(iv) Tabular presentation or bullet lists for complex material, whenever possible;

(v) No legal jargon or highly technical business terms; and

(vi) No multiple negatives.

(3) In designing the Notice of Internet Availability of Proxy Materials, the registrant may include pictures, logos, or similar design elements so long as the design is not misleading and the required information is clear.

(h) The registrant may send a form of proxy to security holders if:

(1) At least 10 calendar days or more have passed since the date it first sent the Notice of Internet Availability of Proxy Materials to security holders and the form of proxy is accompanied by a copy of the Notice of Internet Availability of Proxy Materials; or

(2) The form of proxy is accompanied or preceded by a copy, via the same medium, of the proxy statement and any annual report to security holders that is required by §240.14a-3(b).

(i) The registrant must file a form of the Notice of Internet Availability of Proxy Materials with the Commission pursuant to §240.14a-6(b) no later than the date that the registrant first sends the notice to security holders.

by U.S. first class mail or other reasonably prompt means, a paper copy of the proxy statement, information statement, annual report to security holders, and form of proxy (to the extent each of those documents is applicable) to any record holder or respondent bank requesting such a copy within three business days after receiving a request for a paper copy.

(2) The registrant must send, at no cost to the record holder or respondent bank and via e-mail, an electronic copy of the proxy statement, information statement, annual report to security holders, and form of proxy (to the extent each of those documents is applicable) to any record holder or respondent bank requesting such a copy within three business days after receiving a request for an electronic copy via e-mail.

(3) The registrant must provide copies of the proxy materials for one year after the conclusion of the meeting or corporate action to which the proxy materials relate, provided that, if the registrant receives the request after the conclusion of the meeting or corporate action to which the proxy materials relate, the registrant need not send copies via First Class mail and need not respond to such request within three business days.

(4) The registrant must maintain records of security holder requests to receive materials in paper or via e-mail for future solicitations and must continue to provide copies of the materials to a security holder who has made such a request until the security holder revokes such request.

(k) Security holder information. (1) A registrant or its agent shall maintain the Internet Web site on which it posts its proxy materials in a manner that does not infringe on the anonymity of a person accessing such Web site.

(2) The registrant and its agents shall not use any e-mail address obtained from a security holder solely for the purpose of requesting a copy of proxy materials pursuant to paragraph (j) of this section for any purpose other than to send a copy of those materials to that security holder. The registrant shall not disclose such information to any person other than an employee or agent to the extent necessary to send a copy of the proxy materials pursuant to paragraph (j) of this section.

(1) A person other than the registrant may solicit proxies pursuant to the conditions imposed on registrants by this section, provided that:

1. A soliciting person other than the registrant is required to provide copies of its proxy materials only to security holders to whom it has sent a Notice of Internet Availability of Proxy Materials; and
2. A soliciting person other than the registrant must send its Notice of Internet Availability of Proxy Materials by the later of:
   (i) 40 Calendar days prior to the security holder meeting date or, if no meeting is to be held, 40 calendar days prior to the date the votes, consents, or authorizations may be used to effect the corporate action; or
   (ii) The date on which it files its definitive proxy statement with the Commission, provided its preliminary proxy statement is filed no later than 10 calendar days after the date that the registrant files its definitive proxy statement.

(3) Content of the soliciting person’s Notice of Internet Availability of Proxy Materials. (1) If, at the time a soliciting person other than the registrant sends its Notice of Internet Availability of Proxy Materials, the soliciting person is not aware of all matters on the registrant’s agenda for the meeting of security holders, the soliciting person’s Notice on Internet Availability of Proxy Materials must provide a clear and impartial identification of each separate matter on the agenda to the extent known by the soliciting person at that time. The soliciting person’s notice also must include a clear statement indicating that there may be additional agenda items of which the soliciting person is not aware and that the security holder cannot direct a vote for those items on the soliciting person’s proxy card provided at that time.

   (i) If a soliciting person other than the registrant sends a form of proxy not containing all matters intended to be acted upon, the Notice of Internet Availability of Proxy Materials must clearly state whether execution of the form of proxy will invalidate a security

holder's prior vote on matters not presented on the form of proxy.

(m) This section shall not apply to a proxy solicitation in connection with a business combination transaction, as defined in §230.165 of this chapter, as well as transactions for cash consideration requiring disclosure under Item 14 of §240.14a–101.

(n) Full Set Delivery Option. (1) For purposes of this paragraph (n), the term full set of proxy materials shall include all of the following documents:

(i) A copy of the proxy statement;

(i) Accompany the Notice of Internet Availability of Proxy Materials with a full set of proxy materials; or

§ 240.14a–17 Electronic shareholder foraums.

(a) A shareholder, registrant, or third party acting on behalf of a shareholder or registrant may establish, maintain, or operate an electronic shareholder forum to facilitate interaction among the registrant's shareholders and between the registrant and its shareholders as the shareholder or registrant deems appropriate. Subject to paragraphs (b) and (c) of this section, the forum must comply with the federal securities laws, including Section 14(a) of the Act and its associated regulations, other applicable federal laws, applicable state laws, and the registrant's governing documents.

(b) No shareholder, registrant, or third party acting on behalf of a shareholder or registrant, by reason of establishing, maintaining, or operating an electronic shareholder forum, will be liable under the federal securities laws for any statement or information provided by another person to the electronic shareholder forum. Nothing in this section prevents or alters the application of the federal securities laws, including the provisions for liability for fraud, deception, or manipulation, or other applicable federal and state laws to the person or persons that provide a statement or information to an electronic shareholder forum.

(c) Reliance on the exemption in §240.14a–2(b)(6) to participate in an electronic shareholder forum does not eliminate a person's eligibility to solicit proxies after the date that the exemption in §240.14a–2(b)(6) is no longer available, or is no longer being relied upon, provided that any such solicitation is conducted in accordance with this regulation.
