

that is direct and clear, not remote or attenuated.

(ii) The informative value of the information to be disclosed: Whether the disclosure is “likely to contribute” to an understanding of government operations or activities. The disclosable portions of the requested records must be meaningfully informative about government operations or activities in order to be “likely to contribute” to an increased public understanding of those operations or activities. The disclosure of information that already is in the public domain, in either a duplicative or a substantially identical form, would not be as likely to contribute to such understanding where nothing new would be added to the public’s understanding.

(iii) The contribution to an understanding of the subject by the public likely to result from disclosure: Whether disclosure of the requested information will contribute to “public understanding.” The disclosure must contribute to the understanding of a reasonably broad audience of persons interested in the subject, as opposed to the individual understanding of the requester. A requester’s expertise in the subject area and ability and intention to effectively convey information to the public shall be considered. It shall be presumed that a representative of the news media will satisfy this consideration.

(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute “significantly” to public understanding of government operations or activities. The public’s understanding of the subject in question, as compared to the level of public understanding existing prior to the disclosure, must be enhanced by the disclosure to a significant extent. TVA shall not make value judgments about whether information that would contribute significantly to public understanding of the operations or activities of the government is “important” enough to be made public.

(3) To determine whether the second fee waiver requirement is met, TVA will consider the following factors:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that

would be furthered by the requested disclosure. TVA shall consider any commercial interest of the requester (with reference to the definition of “commercial use” in paragraph (b) (1) of this section), or of any person on whose behalf the requester may be acting, that would be furthered by the requested disclosure. Requesters shall be given an opportunity in the administrative process to provide explanatory information regarding this consideration.

(ii) The primary interest in disclosure. Whether any identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is “primarily in the commercial interest of the requester.” A fee waiver or reduction is justified where the public interest standard is satisfied and that public interest is greater in magnitude than that of any identified commercial interest in disclosure. TVA ordinarily shall presume that where a news media requester has satisfied the public interest standard, the public interest will be the interest primarily served by disclosure to that requester. Disclosure to data brokers or others who merely compile and market government information for direct economic return shall not be presumed to primarily serve the public interest.

(4) Where only some of the requested records satisfy the requirements for a waiver of fees, a waiver shall be granted for those records.

(5) Requests for the waiver or reduction of fees should address the factors listed in paragraphs (k) (2) and (3) of this section, insofar as they apply to each request. TVA will exercise their discretion to consider the cost-effectiveness of their investment of administrative resources in this decision-making process, however, in deciding to grant waivers or reductions of fees.

§ 1301.11

SOURCE: 40 FR 45313, Oct. 1, 1975, unless otherwise noted. Redesignated at 44 FR 30682, May 29, 1979.

§ 1301.11 Purpose and scope.

(a) The regulations in §§1301.11 to 1301.24 implement section 3 of the Privacy Act of 1974, 5 U.S.C. 552a, with respect to systems of records maintained by TVA. They provide procedures by which an individual may exercise the rights granted by the Act to determine whether a TVA system contains a record pertaining to him; to gain access to such records; to have a copy made of all or any portion thereof; and to request administrative correction or amendment of such records. They prescribe fees to be charged for copying records; establish identification requirements; list penalties provided by statute for certain violations of the Act; and establish exemptions from certain requirements of the Act for certain TVA systems or components thereof.

(b) Nothing in §§1301.11 to 1301.24 entitles an individual to any access to any information or record compiled in reasonable anticipation of a civil action or proceeding.

(c) Certain records of which TVA may have physical possession are the official records of another government agency which exercises dominion and control over the records, their content, and access thereto. In such cases, TVA's maintenance of the records is subject to the direction of the other government agency. Except for a request for a determination of the existence of the record, when TVA receives requests related to these records, TVA will immediately refer the request to the controlling agency for all decisions regarding the request, and will notify the individual making the request of the referral.

§ 1301.13 Procedures for requests pertaining to individual records in a record system.

(a) An individual may, in accordance with this section (1) request a TVA determination whether a record retrieved by the individual's name or other personal identifier is maintained in a TVA system, and (2) request access to such a record. A request for determination may be combined with a request for access.

(b) Requests under this section shall:

(1) Be in writing and signed by the individual seeking the determination or access;

(2) Include the individual's mailing address;

(3) Name the TVA system as listed in the TVA system notice;

(4) Include any additional identifying information specified in the paragraph headed "Notification procedure" in the applicable TVA system notice;

(5) Specify whether the request is for determination only or for both determination and access; and

(6) Include such proof of identity as may be required by § 1301.14 and the applicable system notice.

Requests may be presented in person or by mail. In-person requests shall be presented during normal TVA business hours, as set out in § 1301.14(g).

(c) Requests for determination only shall be presented to the official designated in the paragraph headed "Notification procedure" in the TVA system notice for the TVA system concerned. Requests for both determination and access shall be presented to the official designated in the paragraph headed "Access procedure" in the TVA system notice for the TVA system concerned. Certain TVA system notices designate officials at field locations of TVA systems. With respect to such TVA systems, an individual who believes his record is located at the field location

may present a request to the designated official at the field location. If the record is not available at that field location, the request will be forwarded to the appropriate TVA office.

(d) If a request is for determination only, the determination will normally be made within 10 days after receipt of the request. If the determination cannot be made within 10 days after receipt of a request, the designated official will acknowledge the request in writing and state when the determination will be made. Upon making a determination, the designated official will notify the individual making the request whether the record exists. The notice will include any additional information necessary to enable the individual to request access to the record.

(e) A request which includes a request for access will be acknowledged within 10 days after receipt. If access can be granted as requested, the acknowledgment will provide a time and place for disclosure of the requested record. Disclosure will normally be made within 30 days of the date of the acknowledgement, but the designated official may extend the 30-day period for reasons found by him to be good cause. In case of an extension, TVA will notify the individual, in writing, that disclosure will be delayed, the reasons for delay, and the anticipated date on which the individual may expect the record to be disclosed. TVA will attempt to accommodate reasonable requests for disclosure at specified times and dates, as set forth in a request for access, so far as compatible with the conduct of TVA business.

§ 1301.14 Times, places, and requirements for identification of individuals making requests.

(a) TVA will require proof of identity, in accordance with this section, before it will disclose a record under § 1301.15 of this part to an individual requesting access to the record, and before it will disclose the existence of a record to a requester under § 1301.13 of this part, if TVA determines that disclosure of the existence of such record would constitute an unwarranted invasion of personal privacy.

(b) Identification normally required would be an identification card such as

§ 1301.15

a valid state driver's license or TVA or other employee identification card. A comparison of the signature of the requester with either the signature on the card or a signature in the record may be used to confirm identity.

(c) Because of the sensitivity of the subject matter in a TVA system, a TVA system notice may prescribe special identification requirements for the disclosure of the existence of or access to records in that TVA system. In such case, the special identification requirements prescribed in the TVA system notice shall apply in lieu of those prescribed by paragraph (b) of this section.

(d) If TVA deems it warranted by the nature of identification presented, the subject matter of the material to be disclosed, or other reasons found by TVA to be sufficient, TVA may require the individual requesting access to sign a statement asserting identity and stating that the individual understands that knowingly or willfully seeking or obtaining access to records about another person under false pretenses is punishable by a fine of up to \$5,000.

(e) Where TVA is requested to provide access to records by mailing copies of records to the requester, the request shall contain or be accompanied by adequate identifying information to make it likely the requester is the person he purports to be and a notarized statement asserting identity and stating that the individual understands that knowingly or willfully seeking or obtaining access to records about another person under false pretenses is punishable by a fine of up to \$5,000.

(f) Where sensitivity of record information may warrant (i.e., unauthorized access could cause harm or embarrassment to the individual) or disclosure by mail to third persons is requested, TVA may require in-person confirmation of identity. If in-person confirmation of identity is required, the individual may arrange with the designated TVA official to provide such identification at any of these TVA locations convenient to the individual: Knoxville, Nashville, and Chattanooga, Tennessee; Muscle Shoals, Alabama; Washington, DC, or another location agreed upon by the individual and the designated TVA official. Upon request the TVA official will provide an ad-

18 CFR Ch. XIII (4-1-11 Edition)

dress and an appropriate time for such identification to be presented.

(g) In general, TVA offices located in the Eastern Time zone are open 8 a.m. to 4:45 p.m., and those in the Central Time zone 7:30 a.m. to 4:15 p.m. Offices are closed on Saturdays, Sundays, and the following holidays: New Year's Day, Birthday of Martin Luther King, Jr., Presidents' Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving Day, and Christmas Day.

§ 1301.15 Disclosure of requested information to individuals.

(a) All disclosure and examination of records shall normally be made in the presence of a TVA representative. If an individual wishes to be accompanied by a third person of the individual's choosing when the record is disclosed, TVA may require the individual to furnish TVA, in advance of disclosure of the record, a statement signed by the individual authorizing discussion and disclosure of the record in the presence of the accompanying person. If desired by the individual, TVA shall provide copies of any documents reviewed in the record which are requested at the time of review. Fees shall be charged for such copies in accordance with the fee schedule in §1301.21, and shall be payable prior to delivery of the copies to the individual.

(b) Where permitted by §1301.14, copies of an individual's record will be made available by mail. A charge for copies will be made in accordance with §1301.21 of this part. All fees due shall be paid prior to mailing of the materials. However, if TVA is unable to allow in-person review of the record, the first copy will be made available without charge.

§ 1301.16 Special procedures—medical records.

If, in the judgment of TVA, the transmission of medical records, including psychological records, directly to a requesting individual could have an adverse effect upon such individual, TVA may refuse to disclose such information directly to the individual. TVA

Tennessee Valley Authority

§ 1301.19

will, however, disclose this information to a licensed health care provider or legal representative designated by the individual in writing who should then provide the records to the individual along with any necessary interpretations.

[75 FR 11736, Mar. 12, 2010]

§ 1301.17 Requests for correction or amendment of record.

(a) An individual may request amendment of records pertaining to him in a TVA system to the extent permitted by the Act in accordance with this section. A request for amendment shall:

(1) Be in writing and signed by the individual seeking the amendment;

(2) Name the TVA system in which the record is maintained;

(3) Describe the item or items of information to be amended;

(4) Describe the nature of the amendment requested; and

(5) Give the reasons for the requested change.

(b) Requests shall be made to the official designated in the paragraph headed "Contesting record procedures" in the TVA system notice for the TVA system concerned. Before considering a request, TVA may require proof of identity of the requester similar to that required under § 1301.14 to gain access to the record.

(c) The individual requesting amendment has the responsibility of providing TVA with evidence of why his record should be amended, and must provide adequate evidence to TVA to justify his request.

(d) The provisions of §§ 1301.11 to 1301.24 of this part do not permit the alteration of evidence presented or to be presented in the course of judicial or administrative proceedings; neither do they permit collateral attack on a prior judicial or administrative action, or provide a collateral remedy for a matter otherwise judicially or administratively cognizable.

[40 FR 45313, Oct. 1, 1975. Redesignated at 44 FR 30682, May 29, 1979, and amended at 53 FR 30253, Aug. 11, 1988]

§ 1301.18 TVA review of request for correction or amendment of record.

(a) TVA will acknowledge a request for amendment within 10 days of re-

ceipt. The acknowledgement will be in writing, will request any additional information TVA requires to determine whether to make the requested correction or amendment, and will indicate the date by which TVA expects to make its initial determination.

(b) TVA will, except in unusual circumstances, complete its consideration of requests to amend records within 30 days. If more time is deemed necessary, TVA will notify the individual of the delay and of the expected date of completion of the review.

(c) If TVA determines that a record should be corrected or amended, in whole or in part, in accordance with a request, it will advise the requesting individual in writing of its determination, and correct or amend the record accordingly. If an accounting of disclosures has been made, TVA will, to the extent of the accounting, inform prior recipients of the record of the fact that the correction was made and the substance of the correction.

(d) If TVA, after initial consideration of a request, determines that a record should not be corrected or amended, in whole or in part, in accordance with a request, it will notify the individual in writing of its refusal to amend the record and the reasons therefor. The notification will inform the individual that the refusal may be appealed administratively and will advise the individual of the procedures for such appeals.

§ 1301.19 Appeals on initial adverse agency determination on correction or amendment.

(a) An individual may appeal an initial determination refusing to amend that individual's record in accordance with this section. An appeal must be taken within 20 days of receipt of notice of TVA's initial refusal to amend the record and is taken by delivering a written notice of appeal to the Privacy Act Reviewing Official, Tennessee Valley Authority, Knoxville, Tennessee 37902-1401. Such notice shall be signed by the appellant and shall state:

(1) That it is an appeal from a denial of a request to amend the individual's records under these regulations and under the Privacy Act of 1974;

§ 1301.19

18 CFR Ch. XIII (4-1-11 Edition)

(2) The reasons why the appellant believes the denial to have been erroneous;

(3) The date on which the denial was issued; and

(4) The date on which the denial was received by the appellant.

(b) Appeals shall be determined by a reviewing official. Such determination may be based on information provided for the initial determination; any additional information which TVA or the appellant may desire to provide; and any other material the reviewing official deems relevant to the determination. The reviewing official, in his sole discretion, may request TVA or the appellant to provide additional information deemed relevant to the appeal. The appellant will be given an opportunity to respond to any information provided by TVA or independently procured by the reviewing official. If in the sole discretion of the reviewing official a hearing is deemed necessary for resolution of the appeal, the reviewing official may conduct a hearing upon notice to TVA and the appellant, at which both TVA and the appellant shall be afforded an opportunity to be heard on the appeal. The rules governing any hearing will be set forth in the notice of hearing.

(c) The reviewing official shall make final determination on the appeal within 30 days after it is received unless such period is extended for good cause. If the reviewing official finds good cause for an extension, TVA will inform the appellant in writing of the reason for the delay and of the approximate date on which the reviewing official expects to complete his determination of the appeal.

(d) If the reviewing official determines that a record should be amended in whole or in part in accordance with an appellant's request, TVA will inform the appellant in writing of its determination and correct or amend the record. If an accounting of disclosures has been made, TVA will, to the extent of the accounting, inform prior recipients of the record of the fact that the correction was made and of the substance of the correction.

(e) If the reviewing official determines not to amend a record, in whole

or in part, in accordance with a request, TVA will advise the individual:

(1) Of its refusal to amend and the reasons therefor;

(2) Of the appellant's right to file a concise statement of reasons for disagreement with the refusal as set out in paragraph (f) of this section;

(3) Of the procedures for filing a statement of disagreement;

(4) That any statement of disagreement will be made available to anyone to whom the record is subsequently disclosed together with any statement by TVA summarizing its reasons for refusing to amend the record;

(5) That prior recipients of the disputed record will be provided a copy of any statement of dispute to the extent that an accounting of disclosures was maintained; and

(6) Of his or her right to seek judicial review of the agency's refusal to amend a record.

(f) If the reviewing official's final determination of an appeal is a refusal to correct or amend a record, in whole or in part, in accordance with the request, the appellant may file with TVA a concise statement setting forth the reasons for his or her disagreement with the refusal of TVA to amend the records. Such statements normally should not exceed 100 words. A statement of disagreement should be submitted within 30 days of receipt of notice of the reviewing official's decision on the appeal, and should be sent to system manager. In any disclosure containing information about which the individual has filed a statement of disagreement which occurs after the filing of the statement, TVA will clearly note any portion of the record which is disputed and provide copies of the statement with the disclosure. Copies of the statement will also be furnished to persons or other agencies to whom the record has been disclosed to the extent that an accounting of disclosures was made. TVA may attach to the statement of disagreement a brief summary of TVA's reasons for refusing to amend

the record. Such summaries will be disclosed to the individual, but are not subject to amendment.

§ 1301.20 Disclosure of record to persons other than individual to whom it pertains.

For purposes of §§ 1301.11 to 1301.24, the parent of any minor or the legal guardian of any individual who has been declared incompetent due to physical or mental incapacity or age by a court of competent jurisdiction may act on behalf of the individual. TVA may require proof of the relationship prior to allowing such action. The parent or legal guardian may not act where the individual concerned objects to the action of the parent or legal guardian, unless a court otherwise orders.

§ 1301.21 Fees.

(a) Fees to be charged, if any, to any individual for making copies of his or her record exclude the cost of any search and review of the record. The following fees are applicable:

(1) For reproduction of material consisting of sheets no larger than 8½ by 14 inches, ten cents per page; and

(2) For reproduction of other materials, the direct cost of photostats or other means necessarily used for duplication.

(b) [Reserved]

§ 1301.22 Penalties.

Section 552a(i), Title 5, United States Code provides that:

(1) *Criminal Penalties.* Any officer or employee of an agency, who by virtue of his employment or official position, has possession of, or access to, agency records which contain individually identifiable information the disclosure of which is prohibited by this section or by rules or regulations established thereunder, and who knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000.

(2) Any officer or employee of any agency who willfully maintains a system of records without meeting the notice requirements of

subsection (e)(4) of this section shall be guilty of a misdemeanor and fined not more than \$5,000.

(3) Any person who knowingly and willfully requests or obtains any record concerning an individual from an agency under false pretenses shall be guilty of a misdemeanor and fined not more than \$5,000.

§ 1301.23 General exemptions.

Individuals may not have access to records maintained by TVA but which were provided by another agency which has determined by regulation that such information is subject to general exemption under 5 U.S.C. 552a(j). If such exempt records are within a request for access, TVA will advise the individual of their existence and of the name and address of the source agency. For any further information concerning the record and the exemption, the individual must contact that source agency.

[75 FR 11736, Mar. 12, 2010]

§ 1301.24 Specific exemptions.

(a) The TVA system "Employee Alleged Misconduct Investigatory Files—TVA" is exempted from subsections (c)(3); (d); (e)(1), (4)(G), (4)(H), (4)(I); and (f) of 5 U.S.C. 552a and corresponding sections of these rules pursuant to section (k)(2) of 5 U.S.C. 552a (section 3 of the Privacy Act). This TVA system is exempted because applications of these provisions to this system might impair investigations of employee misconduct.

(b)(1) The TVA systems "Apprentice Training Record System-TVA," "Consultant and Contractor Records-TVA," "Employment Applicant Files-TVA," "Personnel Files-TVA," and "Nuclear Quality Assurance Personnel Records-TVA" are exempted from subsections (d); (e)(4)(H); (f)(2), (3), and (4) of 5 U.S.C. 552a and corresponding sections of these rules to the extent that disclosure of material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence. These TVA systems are exempted pursuant to section (k)(5) of 5 U.S.C. 552a (section 3 of the Privacy Act).

§ 1301.41

(2) Each of these TVA systems contain reference letters and information concerning employees and other individuals who perform services for TVA. TVA has received this information in the past under both express and implied promises of confidentiality and consistent with the Privacy Act these promises will be honored. Pledges of confidentiality will be necessary in the future to ensure that unqualified or unsuitable individuals are not selected for TVA positions. Without the ability to make these promises, a potential source of information may be unwilling to provide needed information, or may not be sufficiently frank to be of value in personnel screening.

(c)(1) The TVA systems "Apprentice Training Record System-TVA," "Consultant and Contractor Records-TVA," "Employment Applicant Files-TVA," and "Personnel Files-TVA," are exempted from subsections (d); (e)(4)(H); (f)(2), (3), and (4) of 5 U.S.C. 552a and corresponding sections of these rules to the extent that disclosure of testing or examination material used solely to determine individual qualifications for appointment or promotion in the Federal service would compromise the objectivity or fairness of the testing or examination process. These systems are exempted pursuant to section (k)(6) of 5 U.S.C. 552a (section 3 of the Privacy Act).

(2) This material is exempted because its disclosure would reveal information about the testing process which would potentially give an individual an unfair competitive advantage in selection based on test performance.

(d) The TVA system OIG Investigative Records is exempt from subsections (c)(3), (d), (e)(1), (e)(4), (G), (H), and (I) and (f) of 5 U.S.C. 552a (section 3 of the Privacy Act) and corresponding sections of these rules pursuant to 5 U.S.C. 552a(k)(2). The TVA system OIG Investigative Records is exempt from subsections (c)(3), (d), (e)(1), (e)(2), (e)(3), (e)(4)(G), (H), and (I), (e)(5), (e)(8), and (g) pursuant to 5 U.S.C. 552a(j)(2). This system is exempt because application of these provisions might alert investigation subjects to the existence or scope of investigations, lead to suppression, alteration, fabrication, or destruction of evidence, disclose inves-

18 CFR Ch. XIII (4-1-11 Edition)

tigative techniques or procedures, reduce the cooperativeness or safety of witnesses, or otherwise impair investigations.

(e) The TVA system TVA Police Records is exempt from subsections (c)(3), (d), (e)(1), (e)(4), (G), (H), and (I) and (f) of 5 U.S.C. 552a (section 3 of the Privacy Act) and corresponding sections of these rules pursuant to 5 U.S.C. 552a(k)(2). The TVA system Police Records is exempt from subsections (c)(3), (d), (e)(1), (e)(2), (e)(3), (e)(4)(G), (H), and (I), (e)(5), (e)(8), and (g) pursuant to 5 U.S.C. 552a(j)(2). This system is exempt because application of these provisions might alert investigation subjects to the existence or scope of investigations, lead to suppression, alteration, fabrication, or destruction of evidence, disclose investigative techniques or procedures, reduce the cooperativeness or safety of witnesses, or otherwise impair investigations.

(a) The provisions of this subpart are intended to implement the requirements of section 3(a) of the Government in the Sunshine Act, 5 U.S.C. 552b, consistent with the purposes and provisions of the Tennessee Valley Authority Act of 1933, 16 U.S.C. 831-831dd.

(b) Nothing in this subpart expands or limits the present rights of any person under the Freedom of Information Act (5 U.S.C. 552) and the provisions of subpart A of this part, except that the exemptions set forth in § 1301.46 shall govern in the case of any request made pursuant to the Freedom of Information Act and subpart A to copy or inspect the transcripts, recordings, or minutes described in § 1301.47.
