§ 420.43 Exempt use.

The following uses shall be exempt from charge:

(a) Non-consumptive uses of less than 1,000 gallons during any day, and less than 100,000 gallons during any quarter.

(b) Ballast water used for shipping purposes.

(c) Water taken, withdrawn or diverted from streams tributary to the river master’s gauging station at Montague.

(d) Water taken, withdrawn or diverted below R.M. 38 (the mouth of the Cohansey River) and such proportion of other uses, measured pro rata, as may be necessary to provide for such exempt use.
