§ 10.134 Declaration of intent.

A showing of intent by the importer as to the actual use of imported merchandise shall be made by filing with the entry for consumption or for warehouse a declaration as to the intended use of the articles.

§ 10.133 Conditions required to be met.

When the tariff classification of any article is controlled by its actual use in the United States, three conditions must be met in order to qualify for free entry or a lower rate of duty unless the language of the particular subheading of the Harmonized Tariff Schedule of the United States applicable to the merchandise specifies other conditions. The conditions are that:

(a) Such use is intended at the time of importation.

(b) The article is so used.

(c) Proof of use is furnished within 3 years after the date the article is entered or withdrawn from warehouse for consumption.

§ 10.131 Circumstances in which applicable.

The provisions of §§10.131 through 10.139 are applicable in those circumstances in which the rate of duty applicable to merchandise is dependent upon actual use, unless there is a specific provision in this part which governs the treatment of the merchandise. However, specific marking or certification requirements, such as those for bolting cloths in section 10.58, may be applicable to merchandise subject to the provisions of sections 10.131–10.139.
