§ 123.17 Foreign repairs to domestic trucks, busses, taxicabs and their equipment.

(a) Domestic trucks, busses, and taxicabs and their equipment defined. For the purpose of this section, trucks, busses, and taxicabs and their equipment manufactured in, or regularly imported into the United States, shall be considered "domestic" if not subsequently formally entered and cleared through foreign customs into another country, nor used in foreign local traffic otherwise than as an incident of their return to the United States.

(b) Report of arrival and payment of duty on repairs. A report of the first arrival in the United States of domestic trucks, busses, and taxicabs and their equipment after repairs have been made in a foreign country, other than those required to restore such vehicle or equipment to the condition in which it last left the United States ("running repairs"), shall be made by the driver or person in charge of the vehicle promptly, in writing, to the Customs officer at the port of reentry. The report shall state the time and place of arrival and the nature and value of the repairs. Each such vehicle or its equipment when withdrawn from international traffic shall be subject to duty upon the value of the repairs (other than "running repairs") made abroad at the rate at which the repaired article would be dutiable if imported.

§ 123.18 Equipment and materials for constructing bridges or tunnels between the United States and Canada or Mexico.

(a) Admission of equipment and materials. Equipment for use in construction of bridges or tunnels between the United States and Canada or Mexico shall be admitted without entry or the payment of duty. Materials for such use shall be admitted without entry or payment of duty only for installation in the bridge or tunnel proper, and not in the approaches on land at the United States end of such bridge or tunnel.

(b) Customs supervision. All articles admitted under paragraph (a) of this section shall be subject to Customs supervision at the expense of the builder until installed, entered, or exported.

Subpart C—Shipments in Transit Through Canada or Mexico

§ 123.21 Merchandise in transit.

(a) Status. Merchandise may be transported from one port to another in the United States through Canada or Mexico in accordance with the regulations in this subpart or subparts E for trucks transiting Canada, F for commercial traveler's samples, or G for baggage. Merchandise so transported is not subject to treatment as an importation when returned to the United States, and no inward foreign manifest is required for merchandise returned under an in-transit manifest. In-transit merchandise returned to the United States shall be treated as an importation as are shipments made from Canada or Mexico if:

(1) An in-transit manifest is not furnished for the merchandise upon its return to the United States;

(2) The merchandise has been transshipped in foreign territory without Customs supervision when the transshipment required the breaking of Customs seals; or

(3) The Customs inspector finds any of the Customs seals applied to the conveyance or compartment unlocked or missing.

(b) Use of certain vessels prohibited. Merchandise shall not be transported from port to port in the United States through Canada or Mexico by vessel in violation of the provisions of section 27, Merchant Marine Act of 1920, as amended (46 U.S.C. 883), or section 588, Tariff Act of 1930, as amended (19 U.S.C. 1588). (See § 4.80 of this chapter.)

(c) Regulations applicable. The provisions of this subpart shall govern all merchandise transported from one port to another in the United States through Canada or Mexico under in-transit procedures, except as otherwise provided in this subpart or in subpart E for truck shipments transiting Canada, subpart F for commercial traveler's samples transiting Canada, and subpart G for baggage transiting Canada or Mexico.

§ 123.22 In-transit manifest.

(a) Manifest required. A manifest in duplicate covering the in-transit merchandise which is to proceed under the
