§ 404.1588 We will suspend your benefits if you fail to comply with our request for necessary information. We will suspend your benefits effective with the month in which it is determined in accordance with §404.1596(b)(2)(i) that your disability benefits should stop due to your failure, without good cause (see §404.911), to comply with our request for necessary information. When we have received the information, we will reinstate your benefits for any previous month for which they are otherwise payable, and continue with the CDR process.

(c) We will terminate your benefits. We will terminate your benefits following 12 consecutive months of benefit suspension because you did not comply with our request for information in accordance with §404.1596(b)(2)(i). We will count the 12-month suspension period from the start of the first month that you stopped receiving benefits (see paragraph (b) of this section). This termination is effective with the start of the 13th month after the suspension began because you failed to cooperate.

§ 404.1589 We may conduct a review to find out whether you continue to be disabled.

After we find that you are disabled, we must evaluate your impairment(s) from time to time to determine if you are still eligible for disability cash benefits. We call this evaluation a continuing disability review. We may begin a continuing disability review for any number of reasons including your failure to follow the provisions of the Social Security Act or these regulations. When we begin such a review, we will notify you that we are reviewing your eligibility for disability benefits, why we are reviewing your eligibility, that in medical reviews the medical improvement review standard will apply, that our review could result in the termination of your benefits, and that you have the right to submit medical and other evidence for our consideration during the continuing disability review. In doing a medical review, we will develop a complete medical history of at least the preceding 12 months in any case in which a determination is made that you are no longer under a disability. If this review shows that we should stop payment of your benefits, we will notify you in writing and give you an opportunity to appeal. In §404.1590 we describe those events that may prompt us to review whether you continue to be disabled.

§ 404.1590 When and how often we will conduct a continuing disability review.

(a) General. We conduct continuing disability reviews to determine whether or not you continue to meet the disability requirements of the law. Payment of cash benefits or a period of disability ends if the medical or other evidence shows that you are not disabled as determined under the standards set out in section 223(f) of the Social Security Act. In paragraphs (b) through (g) of this section, we explain when and how often we conduct continuing disability reviews for most individuals. In
