filed after the application is filed shall be effective the month the request is received in a social security office, or earlier if the recipient refunds to the Social Security Administration the amount of any supplementary payment(s) made to him for the subject period.

(b) Revocation of waiver. Any individual who has waived State supplementary payments may revoke such waiver at any time by making a written request to any social security office. The revocation will be effective the month in which it is filed. The date such request is received in a social security office or the postmarked date, if the written request was mailed, will be the filing date, whichever is earlier.

§ 416.2050 Mandatory minimum State supplementation.

(a) Determining the amount. The amount of a mandatory State supplementary payment in the case of any eligible individual or couple for any month is equal to:

(1) The amount by which such individual or couple's December 1973 income (as defined in paragraph (b) of this section) exceeds the amount of such individual or couple's title XVI benefit plus other income which would have been used by such State in computing the assistance payable under the State's approved plan for such month; or

(2) Such greater amount as the State may specify.

(b) December 1973 income. "December 1973 income" means an amount equal to the aggregate of:

(1) Money payments. The amount of the aid or assistance in the form of money payments (as defined in 45 CFR 234.11(a)) which an individual would have received (including any part of such amount which is attributable to meeting special needs or special circumstances) under a State plan approved under title I, X, XIV, or XVI of the Act in accordance with the terms and conditions of such plan relating to eligibility for and amount of such aid or assistance payable thereunder which were in effect for the month of June 1973 together with the bonus value of food stamps for January 1972 if for such month such individual resides in a State which SSA has determined provides supplementary payments the level of which has been found by SSA pursuant to section 8 of Pub. L. 93–233 (87 Stat. 956) to have been specifically increased so as to include the bonus value of food stamps, and

(2) Income. The amount of the income of such individual other than aid or assistance, received by such individual in December 1973, remaining after application of all appropriate income exclusions and used in computation of the amount of aid or assistance, minus any such income which did not result, but which if properly reported, would have resulted in a reduction in the amount of such aid or assistance. Income, which because a State paid less than 100% of its standard of need, did not cause a reduction in the amount of aid or assistance is included.

(c) Special needs or circumstances. Special needs or circumstances include needs of essential persons (as defined in § 416.222), special allowances for housing, and such other situations for which money payments to or for an eligible individual were made under a State plan approved under title I, X, XIV, or XVI of the Act as in effect for June 1973.

(d) Optional supplement payable. A recipient meeting the requirements of paragraph (a) of this section who would otherwise qualify for a payment under a State's program of optional State supplementation (provided for by § 416.2010) which is greater than the amount required by paragraph (a) of this section, shall be paid such greater amount.

§ 416.2055 Mandatory minimum supplementation reduced.

If for any month after December 1973 there is a change with respect to any special need or special circumstance which, if such change had existed in December 1973, would have caused a reduction in the amount of such individual's aid or assistance payment, then, for such month and for each month thereafter, the amount of the mandatory minimum supplement payable to such individual may, at the option of the State, be reduced in accordance
§ 416.2060 Mandatory minimum supplementary payments not applicable.

An individual eligible for mandatory minimum supplementary payments from a State beginning in January 1974 shall not be eligible for such payments:

(a) Month after the month of death. Beginning with the month after the month in which the individual dies; or

(b) Not aged, blind, or disabled. Beginning with the first month after the month in which such individual ceases to be an aged, blind, or disabled individual (as defined in §416.202); or

(c) Not entitled to a Federal payment. During any month in which such individual was ineligible to receive supplemental income benefits under title XVI of the Social Security Act by reason of the provisions of section 1611(e) (1)(A), (2) or (3), 1611(f), or 1615(c) of such Act; or

(d) Month of change in residence. During any full month such individual is not a resident of such State.

§ 416.2065 Mandatory minimum State supplementation: Agreement deemed.

A State shall be deemed to have entered into an agreement with the Commissioner under which such State shall provide mandatory minimum supplementary payments if such State has entered into an agreement with the Commissioner under section 1616 of the Act under which:

(a) Other eligible individuals. Supplementary payments are made to individuals other than those aged, blind, and disabled individuals who were eligible to receive aid or assistance in the form of money payments for the month of December 1973 under a State plan approved under title I, X, XIV, or XVI of the Act, under terms and conditions of such plan in effect for June 1973.

§ 416.2070 Mandatory supplementation: State compliance not applicable.

The requirement that a State must have in effect an agreement with the Commissioner whereby such State shall provide individual aged, blind, and disabled recipients residing in the State mandatory minimum supplementary payments beginning in January 1974 shall not be applicable in the case of any State where:

(a) State constitution. The State constitution limits expenditures that may be paid as public assistance to, or on behalf of, any needy person to an amount that does not exceed the amount of State public assistance payments that are matched by Federal funds under title I, IV, X, XIV, XVI or XIX of the Social Security Act making it impossible for such State to enter into and commence carrying out (on January 1, 1974) such agreement with the Commissioner, and

(b) Attorney General decision. The Attorney General (or other appropriate State official) has, prior to July 1, 1973, made a finding that the State constitution of such State contains limitations which prevent such State from making supplementary payments of the type described in section 1616 of the Act.

§ 416.2075 Monitoring of mandatory minimum supplementary payments.

(a) Access to records. Any State entering into an agreement with the Commissioner whereby such State will provide mandatory minimum supplementary payments in accordance with §416.2001(c) shall agree that the Commissioner shall have access to and the right to examine any directly pertinent books, documents, papers, and records of the State involving transactions related to this agreement.
