§ 655.1205 What is the Administrator’s responsibility with respect to complaints and investigations?

(a) The Administrator, through investigation, shall determine whether a facility has failed to perform any attested conditions, misrepresented any material facts in an Attestation (including misrepresentation as to compliance with regulatory standards), or otherwise violated the Act or subpart L or M of this part. The Administrator’s authority applies whether an Attestation is expired or unexpired at the time a complaint is filed. (Note: Federal criminal statutes provide for fines and/or imprisonment for knowing and willful submission of false statements to the Federal Government. 18 U.S.C. 1001; see also 18 U.S.C. 1546.)

(b) Any aggrieved person or organization may file a complaint of a violation of the provisions of section 212(m) of the INA (8 U.S.C. 1182(m)) or subpart L or M of this part. No particular form of complaint is required, except that the complaint shall be written or, if oral, shall be reduced to writing by the Wage and Hour Division official who receives the complaint. The complaint must set forth sufficient facts for the Administrator to determine what part or parts of the Attestation or regulations have allegedly been violated. Upon the request of the complainant, the Administrator shall, to the extent possible under existing law, maintain confidentiality about the complainant’s identity; if the complainant wishes to be a party to the administrative hearing proceedings under this subpart, the complainant shall then waive confidentiality. The complaint may be submitted to any local Wage and Hour Division office; the addresses of such offices are found in local telephone directories. Inquiries concerning the enforcement program and requests for technical assistance regarding compliance may also be submitted to the local Wage and Hour Division office.

(c) The Administrator shall determine whether there is reasonable cause to believe that the complaint warrants investigation and, if so, shall conduct an investigation, within 180 days of the receipt of a complaint. If the Administrator determines that the complaint fails to present reasonable cause for an investigation, the Administrator shall so notify the complainant, who may submit a new complaint, with such additional information as may be necessary.

(d) When an investigation has been conducted, the Administrator shall, within 180 days of the receipt of a complaint, issue a written determination, stating whether a basis exists to make a finding that the facility failed to meet a condition of its Attestation, made a misrepresentation of a material fact therein, or otherwise violated the Act or subpart L or M. The determination shall specify any sanctions imposed due to violations. The Administrator shall provide a notice of such determination to the interested parties and shall inform them of the opportunity for a hearing pursuant to §655.1220.

§ 655.1210 What penalties and other remedies may the Administrator impose?

(a) The Administrator may assess a civil money penalty not to exceed $1,000 per nurse per violation, with the total penalty not to exceed $10,000 per violation. The Administrator also may impose appropriate remedies, including the payment of back wages, the performance of attested obligations such as providing training, and reinstatement and/or wages for laid off U.S. nurses.

(b) In determining the amount of civil money penalty to be assessed for any violation, the Administrator will consider the type of violation committed and other relevant factors. The matters which may be considered include, but are not limited to, the following:

(1) Previous history of violation, or violations, by the facility under the Act and subpart L or M of this part;

(2) The number of workers affected by the violation or violations;

(3) The gravity of the violation or violations;
(4) Efforts made by the violator in good faith to comply with the Attestation as provided in the Act and subparts L and M of this part;

(5) The violator’s explanation of the violation or violations;

(6) The violator’s commitment to future compliance, taking into account the public health, interest, or safety; and

(7) The extent to which the violator achieved a financial gain due to the violation, or the potential financial loss or potential injury or adverse effect upon the workers.

(c) The civil money penalty, back wages, and any other remedy determined by the Administrator to be appropriate, are immediately due for payment upon the assessment by the Administrator, or the decision by an administrative law judge where a hearing is requested, or the decision by the Secretary where review is granted. The facility must remit the amount of the civil money penalty, by certified check or money order made payable to the order of “Wage and Hour Division, Labor.” The remittance must be delivered or mailed to the Wage and Hour Division Regional Office for the area in which the violation(s) occurred. The payment of back wages, monetary relief, and/or the performance or any other remedy prescribed by the Administrator will follow procedures established by the Administrator. The facility’s failure to pay the civil money penalty, back wages, or other monetary relief, or to perform any other assessed remedy, will result in the rejection by ETA of any future Attestation submitted by the facility until such payment or performance is accomplished.

(d) The Federal Civil Penalties Inflation Adjustment Act of 1990, as amended (28 U.S.C. 2461 note), requires that inflationary adjustments to civil money penalties in accordance with a specified cost-of-living formula be made, by regulation, at least every four years. The adjustments are to be based on changes in the Consumer Price Index for all Urban Consumers (CPI-U) for the U.S. City Average for All Items. The adjusted amounts will be published in the Federal Register. The amount of the penalty in a particular case will be based on the amount of the penalty in effect at the time the violation occurs.

§ 655.1215 How are the Administrator’s investigation findings issued?

(a) The Administrator’s determination, issued under §655.1205(d), shall be served on the complainant, the facility, and other interested parties by personal service or by certified mail at the parties’ last known addresses. Where service by certified mail is not accepted by the party, the Administrator may exercise discretion to serve the determination by regular mail. Where the complainant has requested confidentiality, the Administrator shall serve the determination in a manner which will not breach that confidentiality.

(b) The Administrator’s written determination required by §655.1205(c) shall:

(1) Set forth the determination of the Administrator and the reason or reasons therefore; prescribe any remedies or penalties including the amount of any unpaid wages due, the actions required for compliance with the facility Attestation, and the amount of any civil money penalty assessment and the reason or reasons therefore.

(2) Inform the interested parties that they may request a hearing under §655.1220.

(3) Inform the interested parties that if a request for a hearing is not received by the Chief Administrative Law Judge within 15 days of the date of the determination, the determination of the Administrator shall become final and not appealable.

(4) Set forth the procedure for requesting a hearing, and give the address of the Chief Administrative Law Judge.

(5) Inform the parties that, under §655.1255, the Administrator shall notify the Department of Homeland Security and ETA of the occurrence of a violation by the employer.
