under title I of WIA. Additional requirements apply to the provision of all labor exchange services under the Wagner-Peyser Act. (WIA sec. 134(c)(1)(D).)

§ 662.270 How are the costs of providing services through the One-Stop delivery system and the operating costs of the system to be funded?

The MOU must describe the particular funding arrangements for services and operating costs of the One-Stop delivery system. Each partner must contribute a fair share of the operating costs of the One-Stop delivery system proportionate to the use of the system by individuals attributable to the partner’s program. There are a number of methods, consistent with the requirements of the relevant OMB circulars, that may be used for allocating costs among the partners. Some of these methodologies include allocations based on direct charges, cost pooling, indirect cost rates and activity-based cost allocation plans. Additional guidance relating to cost allocation methods may be issued by the Department in consultation with the other appropriate Federal agencies.

§ 662.280 Does title I require One-Stop partners to use their funds for individuals who are not eligible for the partner’s program or for services that are not authorized under the partner’s program?

No, the requirements of the partner’s program continue to apply. The Act intends to create a seamless service delivery system for individuals seeking workforce development services by linking the One-Stop partners in the One-Stop delivery system. While the overall effect is to provide universal access to core services, the resources of each partner may only be used to provide services that are authorized and provided under the partner’s program to individuals who are eligible under such program. (WIA sec. 121(b)(1).)

Subpart C—Memorandum of Understanding for the One-Stop Delivery System

§ 662.300 What is the Memorandum of Understanding (MOU)?

(a) The Memorandum of Understanding (MOU) is an agreement developed and executed between the Local Board, with the agreement of the chief elected official, and the One-Stop partners relating to the operation of the One-Stop delivery system in the local area.

(b) The MOU must contain the provisions required by WIA section 121(c)(2). These provisions cover services to be provided through the One-Stop delivery system; the funding of the services and operating costs of the system; and methods for referring individuals between the One-Stop operators and partners. The MOU’s provisions also must determine the duration and procedures for amending the MOU, and may contain any other provisions that are consistent with WIA title I and the WIA regulations agreed to by the parties. (WIA sec. 121(c).)

§ 662.310 Is there a single MOU for the local area or are there to be separate MOU’s between the Local Board and each partner?

(a) A single “umbrella” MOU may be developed that addresses the issues relating to the local One-Stop delivery system for the Local Board, chief elected official and all partners; or the Local Board, chief elected official and the partners may decide to enter into separate agreements between the Local Board (with the agreement of the chief elected official) and one or more partners. Under either approach, the requirements described in this subpart apply. Since funds are generally appropriated annually, financial agreements may be negotiated with each partner annually to clarify funding of services and operating costs of the system under the MOU.

(b) WIA emphasizes full and effective partnerships between Local Boards, chief elected officials and One-Stop partners. Local Boards and partners
