The United States district court in which the affected applicant or tenant resides, in which the unauthorized action occurred, or in which the officer, employee, or representative alleged to be responsible resides, has jurisdiction. Appropriate relief may include reasonable attorney’s fees and other litigation costs.

§ 5.905 What special authority is there to obtain access to sex offender registration information?

(a) PHA obligation to obtain sex offender registration information. (1) A PHA that administers a Section 8 or public housing program under an Annual Contributions Contract with HUD must carry out background checks necessary to determine whether a member of a household applying for admission to any federally assisted housing program is subject to a lifetime sex offender registration requirement under a State sex offender registration program. This check must be carried out with respect to the State in which the housing is located and with respect to States where members of the applicant household are known to have resided.

(2) If the PHA requests such information from any State or local agency responsible for the collection or maintenance of such information, the State or local agency must promptly provide the PHA such information in its possession or control.

(3) The State or local agency may charge a reasonable fee for providing the information.

(b) Owner’s request for sex offender registration information—(1) General. An owner of federally assisted housing that is located in the jurisdiction of a PHA that administers a Section 8 or public housing program under an Annual Contributions Contract with HUD may request that the PHA obtain information necessary to determine whether a household member is subject to a lifetime registration requirement under a State sex offender registration requirement.

(2) Procedure. If the request is made in accordance with the provisions of paragraph (b) of this section:

(i) The PHA must request the information from a State or local agency;

(ii) The State or local agency must promptly provide the PHA such information in its possession or control;

(iii) The PHA must determine whether such information may be a basis for applicant screening, lease enforcement or eviction, based on the criteria used by the owner as specified in the owner’s request, and inform the owner of the determination.

(iv) The PHA must notify the owner of its determination whether sex offender registration information received by the PHA under this section concerning a household member may be a basis for applicant screening, lease enforcement or eviction in accordance with HUD requirements and the criteria used by the owner.
