§ 91.315 Strategic plan.

(a) General. For the categories described in paragraphs (b), (c), (d), (e), and (f) of this section, the consolidated plan must do the following:

(1) Indicate the general priorities for allocating investment geographically within the state and among different activities and needs.

(2) Describe the rationale for establishing the allocation priorities given to each category of priority needs, particularly among extremely low-income, low-income, and moderate-income households.

(3) Identify any obstacles to meeting underserved needs.
