FORM OF CONTRACT

§ 232.605 Contract requirements.

(a) The contract between the mortgagor and the general contractor may be in the form of either a lump sum contract or a cost plus contract. Either form of contract shall include the cost of fire safety equipment, its installation, and such other work to be performed by the contractor as necessary to meet the requirements of the Secretary of Health and Human Services and the Commissioner. A lump sum contract shall provide for the payment of a specified amount. A cost plus contract shall provide for the payment of the contractor’s actual cost of compliance with the requirements of the contract, plus such allowance for overhead and profit as may be approved by the Commissioner and shall provide that the total cost under the contract shall not exceed an upset price as approved by the Commissioner.

(b) If agreed to by the general contractor and borrower, a lump sum form of contract between the borrower and the general contractor may be used unless the Commissioner determines that a cost plus contract with a maximum upset price is necessary to protect the interests of the borrower or the Commissioner.

COST CERTIFICATION REQUIREMENTS

§ 232.610 Certification of cost requirements.

(a) Certificate and adjustment. No loan shall be insured unless:

(1) A certification of actual cost is made by the contractor in cases in which a cost plus form of contract is used; and

(2) The amount of the loan is adjusted to reflect the actual cost to the borrower of the improvements when either a cost plus or lump sum form of contract is used.

(b) Cost computation. The term actual cost of the improvements shall mean the cost to the borrower of the improvements, after deducting the amount of any kickbacks, rebates, or trade discount received in connection with the improvements, and including the amounts paid under any contract for the improvements, labor, materials, and for any other items of expense approved by the Commissioner.

(c) Statement of facts. Any agreement, undertaking, statement or certification required in connection with cost certification shall specifically state that it has been made, presented and delivered for the purpose of influencing an official action of the Commissioner.
