

§ 882.804

(3) Nursing homes and related facilities such as intermediate care or board and care homes; units within the grounds of penal, reformatory, medical, mental, and similar public or private institutions; and facilities providing continual psychiatric, medical, or nursing services are not eligible for assistance under this program.

(4) No Section 8 assistance may be provided with respect to any unit occupied by an owner.

(5) Housing located in the Coastal Barrier Resources System designated under the Coastal Barriers Resources Act is not eligible.

(6) Single-sex facilities are allowable under this program, provided that the HA determines that because of the physical limitations or configuration of the facility, considerations of personal privacy require that the facility (or parts of the facility) be available only to members of a single sex.

(b)(1) *Physical condition standards.* Section 882.404 applies to this program.

(2) *Site standards.* (i) The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed; adequate utilities and streets must be available to service the site. (The existence of a private disposal system and private sanitary water supply for the site, approved in accordance with local law, may be considered adequate utilities.)

(ii) The site must be suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), title VIII of the Civil Rights Act of 1968 (42 U.S.C. 3601-19), E.O. 11063 (as amended by E.O. 12259; 3 CFR, 1959-1963 Comp., p. 652 and 3 CFR, 1980 Comp., p. 307), and HUD regulations issued pursuant thereto.

(iii) The site must be accessible to social, recreational, educational, commercial, and health facilities, and other appropriate municipal facilities and services.

(c) *Financing.* Section 882.405 applies to this program.

(d) *Relocation.* Section 882.406 applies to a project assisted under this program.

(e) *HA-owned housing.* (1) A unit that is owned by the HA that administers

24 CFR Ch. VIII (4-1-11 Edition)

the assistance under the ACC (including a unit owned by an entity substantially controlled by the HA) may only be assisted if:

(i) The unit is not ineligible under § 882.803(a); and

(ii) HUD approves the base and contract rent calculations prior to execution of the Agreement and prior to execution of the HAP contract.

(2) The HA as owner is subject to the same program requirements that apply to other owners in the program.

[61 FR 48057, Sept. 11, 1996, as amended at 63 FR 46579, Sept. 1, 1998; 64 FR 50227, Sept. 15, 1999]

§ 882.804 Other Federal requirements.

(a) Participation in this program requires compliance with the Federal requirements set forth in 24 CFR 5.105, and with the Americans with Disabilities Act (42 U.S.C. 12101 et seq.).

(b) For agreements covering nine or more assisted units, the following requirements for labor standards apply:

(1) Not less than the wages prevailing in the locality, as determined by the Secretary of Labor under the Davis-Bacon Act (40 U.S.C. 276a through 276a-5), must be paid to all laborers and mechanics employed in the development of the project, other than volunteers under the conditions set out in 24 CFR part 70;

(2) The employment of laborers and mechanics is subject to the provisions of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333); and

(3) HAs, owners, contractors, and subcontractors must comply with all related rules, regulations, and requirements.

(c) The environmental review requirements of 24 CFR part 58, implementing the National Environmental Policy Act and related environmental laws and authorities, apply to this program.

§ 882.805 HA application process, ACC execution, and pre-rehabilitation activities.

(a) *Review.* When funds are made available for assistance, HUD will publish a notice of funding availability (NOFA) in the FEDERAL REGISTER in accordance with the requirements of 24 CFR part 4. HUD will review and screen

applications in accordance with the guidelines, rating criteria, and procedures published in the NOFA.

(b) *ACC Execution.* (1) Before execution of the annual contributions contract (ACC), the HA must submit to the appropriate HUD field office the following:

(i) Estimates of Required Annual Contributions, Forms HUD-52672 and HUD-52673;

(ii) Administrative Plan, which should include:

(A) Procedures for tenant outreach;

(B) A policy governing temporary relocation; and

(C) A mechanism to monitor the provision of supportive services.

(iii) Proposed Schedule of Allowances for Tenant-Furnished Utilities and Other Services, Form HUD-52667, with a justification of the amounts proposed;

(iv) If applicable, proposed variations to the acceptability criteria of the Housing Quality Standards (see § 882.803(b)); and

(v) The fire and building code applicable to each structure.

(2) After HUD has approved the HA's application, the review and comment requirements of 24 CFR part 791 have been complied with, and the HA has submitted (and HUD has approved) the items required by paragraph (b)(1) of this section, HUD and the HA must execute the ACC in the form prescribed by HUD. The initial term of the ACC must be 11 years. This term allows one year to rehabilitate the units and place them under a 10-year HAP contract. The ACC must give HUD the option to renew the ACC for an additional 10 years.

(3) Section 882.403(a) (Maximum Total ACC Commitments) applies to this program.

(4) Section 882.403(b) (Project account) applies to this program.

(c)(1) If an owner is proposing to accomplish at least \$3000 per unit of rehabilitation by including work to make the unit(s) accessible to a person with disabilities occupying the unit(s) or expected to occupy the unit(s), the PHA may approve such units not to exceed 5 percent of the units under its Program, provided that accessible units are necessary to meet the requirements of 24

CFR part 8, which implements section 504 of the Rehabilitation Act of 1973. The rehabilitation must make the unit(s), and access and egress to the unit(s), barrier-free with respect to the disability of the individual in residence or expected to be in residence.

(2) The PHA must take the applications and determine the eligibility of all tenants residing in the approved units who wish to apply for the Program. After eligibility of all the tenants has been determined, the Owner must be informed of any adjustment in the number of units to be assisted. In order to make the most efficient use of housing assistance funds, an Agreement may not be entered into covering any unit occupied by a family which is not eligible to receive housing assistance payments. Therefore, the number of units approved by the PHA for a particular proposal must be adjusted to exclude any unit(s) determined by the PHA to be occupied by a family not eligible to receive housing assistance payments. Eligible Families must also be briefed at this stage as to their rights and responsibilities under the Program.

(3) Should the Owner agree with the assessment of the PHA as to the work that must be accomplished, the preliminary feasibility of the proposal, and the number of units to be assisted, the Owner, with the assistance of the PHA where necessary, must prepare detailed work write-ups including specifications and plans (where necessary) so that a cost estimate may be prepared. The work write-up will describe how the deficiencies eligible for amortization through the Contract Rents are to be corrected including minimum acceptable levels of workmanship and materials. From this work write-up, the Owner, with the assistance of the PHA, must prepare a cost estimate for the accomplishment of all specified items.

(4) The owner is responsible for selecting a competent contractor to undertake the rehabilitation. The PHA must propose opportunities for minority contractors to participate in the program.

(5) The PHA must discuss with the Owner the various financing options available. The terms of the financing

must be approved by the PHA in accordance with standards prescribed by HUD.

(6) Before execution of the Agreement, the HA must:

(i)(A) Inspect the structure to determine the specific work items that need to be accomplished to bring the units to be assisted up to the Housing Quality Standards (see § 882.803(b)) or other standards approved by HUD;

(B) Conduct a feasibility analysis, and determine whether cost-effective energy conserving improvements can be added;

(C) Ensure that the owner prepares the work write-ups and cost estimates required by paragraph (c)(3) of this section;

(D) Determine initial base rents and contract rents;

(ii) Assure that the owner has selected a contractor in accordance with paragraph (c)(4) of this section;

(iii) After the financing and a contractor are obtained, determine whether the costs can be covered by initial contract rents, computed in accordance with paragraph (d) of this section; and, if a structure contains more than 50 units to be assisted, submit the base rent and contract rent calculations to the appropriate HUD field office for review and approval in sufficient time for execution of the Agreement in a timely manner;

(iv) Obtain firm commitments to provide necessary supportive services;

(v) Obtain firm commitments for other resources to be provided;

(vi) Determine that the \$3,000 minimum amount of work requirement and other requirements in paragraph (c)(1) of this section are met;

(vii) Determine eligibility of current tenants, and select the units to be assisted, in accordance with paragraph (c)(2) of this section;

(viii) Comply with the financing requirements in paragraph (c)(5) of this section;

(ix) Assure compliance with all other applicable requirements of this subpart; and

(x) If the HA determines that any structure proposed in its application is infeasible, or the HA proposes to select a different structure for any other reason, the HA must submit information

for the proposed alternative structure to HUD for review and approval. HUD will rate the proposed structure in accordance with procedures in the applicable notice of funding availability. The HA may not proceed with processing for the proposed structure or execute an Agreement until HUD notifies the HA that HUD has approved the proposed alternative structure and that all requirements have been met.

(d) *Initial contract rents.* Section 882.408 (Initial contract rents), including the establishment of fair market rents for SRO units at 75 percent of the O-bedroom Moderate Rehabilitation Fair Market Rent, applies to this program, except as follows:

(1)(i) In determining the monthly cost of a rehabilitation loan, in accordance with § 882.408(c)(2), a loan term of a least 10 years (instead of 15 years) may be used. The exception in § 882.408(c)(2)(iii) for using the actual loan term if the total amount of the rehabilitation is less than \$15,000 continues to apply. In addition, the cost of the rehabilitation that may be included for the purpose of calculating the amount of the initial contract rent for any unit must not exceed the lower of:

(A) The projected cost of rehabilitation; or

(B) The per unit cost limitation that is established by FEDERAL REGISTER notice, plus the cost of the fire and safety improvements required by 24 CFR 982.605(b)(4). HUD may, however, increase the limitation in paragraph (d)(1)(i)(B) of this section by an amount HUD determines is reasonable and necessary to accommodate special local conditions, including high construction costs or stringent fire or building codes. HUD will publish future cost limitation changes in the FEDERAL REGISTER in the Notice of Funding Availability issued each year.

(ii) If the Federal Housing Administration (FHA) believes that high construction costs warrant an increase in the per unit cost limitation in paragraph (d)(1)(i)(B) of this section, the HA must demonstrate to HUD's satisfaction that a higher average per unit amount is necessary to conduct this program, and that every appropriate step has been taken to contain the

amount of the rehabilitation within the published per unit cost limitation established at that time, plus the cost of the required fire and safety improvements. These higher amounts will be determined as follows:

(A) HUD may approve a higher per unit amount up to, but not to exceed, an amount computed by multiplying the HUD-approved High Cost Percentage for Base Cities (used for computing FHA high cost area adjustments) for the area, by the current published cost limitation plus the cost of the required fire and safety improvements.

(B) HUD may, on a structure-by-structure basis, increase the level approved in paragraph (d)(1)(i) of this section to up to an amount computed by multiplying 2.4 by the current published cost limitation plus the cost of the required fire and safety improvements.

(2) In approving changes to initial contract rents during rehabilitation in accordance with § 882.408(d), the revised initial contract rents may not reflect an average per unit rehabilitation cost that exceeds the limitation specified in paragraph (d)(1) of this section.

(3) If the structure contains four or fewer SRO units, the Fair Market Rent for that size structure (the Fair Market Rent for a 1-, 2-, 3-, or 4-bedroom unit, as applicable) must be used to determine the Fair Market Rent limitation instead of using the separate Fair Market Rent for each SRO unit. To determine the Fair Market Rent limitation for each SRO unit, the Fair Market Rent for the structure must be apportioned equally to each SRO unit.

(4) Contract rents must not include the costs of providing supportive services, transportation, furniture, or other nonhousing costs, as determined by HUD. SRO program assistance may be used for efficiency units selected for rehabilitation under this program, but the gross rent (contract rent plus any Utility Allowance) for these units will be no higher than for SRO units (i.e., 75 percent of the 0-bedroom Moderate Rehabilitation Fair Market Rent).

(Approved by the Office of Management and Budget under control number 2506-0131)

[61 FR 48057, Sept. 11, 1996, as amended at 63 FR 23855, Apr. 30, 1998]

§ 882.806 Agreement to enter into housing assistance payments contract.

(a) *Rehabilitation period*—(1) *Agreement*. Before the owner begins any rehabilitation, the HA must enter into an Agreement with the owner in the form prescribed by HUD.

(2) *Timely performance of work*. (i) After execution of the Agreement, the Owner must promptly proceed with the rehabilitation work as provided in the Agreement. If the work is not so commenced, diligently continued, or completed, the PHA will have the right to rescind the Agreement, or take other appropriate action.

(ii) The Agreement must provide that the work must be completed and the contract executed within 12 months of execution of the ACC. HUD may reduce the number of units or the amount of the annual contribution commitment if, in HUD's determination, the HA fails to demonstrate a good faith effort to adhere to this schedule or if other reasons justify reducing the number of units.

(3) *Inspections*. The PHA must inspect, as appropriate, during rehabilitation to ensure that work is proceeding on schedule and is being accomplished in accordance with the terms of the Agreement, particularly that the work meets the acceptable levels of workmanship and materials specified in the work write-up.

(4) *Changes*. (i) The Owner must submit to the PHA for approval any changes from the work specified in the Agreement which would alter the design or the quality of the required rehabilitation. The PHA may condition its approval of such changes on a reduction of the Contract Rents. If changes are made without prior PHA approval, the PHA may determine that Contract Rents must be reduced or that the Owner must remedy any deficiency as a condition for acceptance of the unit(s).

(ii) Contract rents may not be increased except in accordance with §§ 882.408(d) and 882.805(d)(2).

(b) *Completion of rehabilitation*—(1) *Notification of completion*. Section 882.507(a) applies to this program.
