§ 943.128 How does a consortium carry out planning and reporting functions?

(a) During the term of the consortium agreement, the consortium must submit joint five-year Plans and joint Annual Plans for all participating PHAs, in accordance with part 903 of this chapter. HUD may prescribe methods of submission for consortia generally and where the consortium does not cover all program categories.

(b) The consortium must maintain records and submit reports to HUD, in accordance with HUD regulations and requirements, for all of the participating PHAs. All PHAs will be bound by Plans and reports submitted to HUD by the consortium for programs covered by the consortium.

(c) Each PHA must keep a copy of the consortium agreement on file for inspection. The consortium agreement must also be a supporting document to the joint PHA Plan.

§ 943.130 What are the responsibilities of participating PHAs?

(a) Responsibilities, generally. Despite participation in a consortium, each participating PHA remains responsible for its own obligations under its ACC with HUD. This means that the PHA has an obligation to assure that all program funds, including funds paid to the lead agency for administration by the consortium, are used in accordance with HUD regulations and requirements, and that the PHA program is administered in accordance with HUD regulations and requirements. Any breach of program requirements with respect to a program covered by the consortium agreement is a breach of the ACC with each of the participating PHAs, so each PHA is responsible for the performance of the consortium.

(b) Applicability of independent audit and performance assessment system requirements to consortia. Where the lead agency will manage substantially all program and activities of the consortium, HUD interprets financial accountability to rest with the consortium and thus HUD will apply independent audit and performance assessment requirements on a consortium-wide basis. Where the lead agency will not manage substantially all programs and activities of a consortium, the consortium shall indicate in its PHA Plan submission which PHAs have financial accountability for the programs. The determination of financial accountability shall be made in accordance with generally accepted accounting principles, as determined in consultation with an independent public accountant. In such situations, HUD will apply independent audit and performance assessment requirements consistent with that determination. With respect to any consortium, however, HUD may determine (based on a request from the consortium or other circumstances) to apply independent audit and performance requirements on a different basis where this would promote sound management.

(b) For purposes of this subpart, the term “joint venture partner” means a participant (other than a PHA) in a joint venture, partnership, or other business arrangement or contract for services with a PHA.

(c) This part does not affect a PHA’s authority to use joint ventures, as may be permitted under State law, when using non-1937 Act funds.

§ 943.142 In what types of operating organizations may a PHA participate?

A subsidiary or affiliate may be a nonprofit corporation. A subsidiary or affiliate may be an organization
