§ 964.1 Purpose.

The purpose of this part is to recognize the importance of resident involvement in creating a positive living environment and in actively participating in the overall mission of public housing.

§ 964.3 Applicability and scope.

(a) The policies and procedures contained in this part apply to any PHA that has a Public Housing Annual Contributions Contract (ACC) with HUD. This part, except for subpart E, does not apply to PHAs with housing assistance payments contracts with HUD under section 8 of the U.S. Housing Act of 1937.

(b) Subpart B of this part contains HUD policies, procedures, and requirements for the participation of residents in public housing operations. These policies, procedures, and requirements apply to all residents participating under this part.

(c)(1) Subpart C of this part contains HUD policies, procedures, and requirements for residents participating in the Tenant Opportunities Program (TOP) (replaces the Resident Management Program under Section 20 of the United States Housing Act of 1937). Resident management in public housing is viable and remains an option under TOP.

(2) Subpart C of this part is not intended to negate any pre-existing arrangements for resident management in public housing between a PHA and a resident management corporation. On or after September 23, 1994, any new, renewed or renegotiated contracts must meet the requirements of this part, the ACC and all applicable laws and regulations.

(d) Subpart D of this part includes requirements for the Family Investment Centers (FIC) Program which was established by Section 22 of the United States Housing Act of 1937 (42 U.S.C. 1437t) to provide families living in public housing and Indian housing with better access to educational and employment opportunities.

(e) Subpart E of this part implements section 2(b) of the United States Housing Act of 1937 (42 U.S.C. 1437), which provides for resident membership on the board of directors or similar governing body of a PHA. Subpart E applies to any public housing agency that has a public housing annual contributions contract with HUD or administers tenant-based rental under section 8 of the United States Housing Act of 1937.

(f) The term “resident,” as used throughout this part, is interchangeable with the term “tenant,” to reflect the fact that local resident organizations have differing preferences for the terms. Terms such as “resident council” and “tenant council” and “resident management” and “tenant management” are interchangeable. Hereafter, for ease of discussion, the rule will use the terms resident, resident council and resident management corporation, as appropriate.

**Tenant Opportunities Program (TOP).** The TOP program is designed to prepare residents to experience the dignity of meaningful work, to own and operate resident businesses, to move toward financial independence, and to enable them to choose where they want to live and engage in meaningful participation in the management of housing developments in which they live. Financial assistance in the form of technical assistance grants is available to RCs/RMCs to prepare to manage activities in their public housing developments.
§ 964.11 Vacant unit under FIC. A dwelling unit that is not under an effective lease to an eligible family. An effective lease is a lease under which an eligible family has a right to possession of the unit and is being charged rent, even if the amount of any utility allowance equals or exceeds the amount of a total resident payment that is based on income and, as a result, the amount paid by the family to the HA is zero.

§ 964.11 HUD policy on tenant participation.

HUD promotes resident participation and the active involvement of residents in all aspects of a HA’s overall mission and operation. Residents have a right to organize and elect a resident council to represent their interests. As long as proper procedures are followed, the HA shall recognize the duly elected resident council to participate fully through a working relationship with the HA. HUD encourages HAs and residents to work together to determine the most appropriate ways to foster constructive relationships, particularly through duly-elected resident councils.

§ 964.12 HUD policy on the Tenant Opportunities Program (TOP).

HUD promotes TOP programs to support activities that enable residents to improve the quality of life and resident satisfaction, and obtain other social and economic benefits for residents and their families. Tenant opportunity programs are proven to be effective in facilitating economic uplift, as well as in improving the overall conditions of the public housing communities.

§ 964.14 HUD policy on partnerships.

HUD promotes partnerships between residents and HAs which are an essential component to building, strengthening and improving public housing. Strong partnerships are critical for creating positive changes in lifestyles thus improving the quality of life for public housing residents, and the surrounding community.

§ 964.15 HUD policy on resident management.

It is HUD’s policy to encourage resident management. HUD encourages HAs, resident councils and resident management corporations to explore the various functions involved in management to identify appropriate opportunities for contracting with a resident management corporation. Potential benefits of resident-managed entities include improved quality of life, experiencing the dignity of meaningful work, enabling residents to choose where they want to live, and meaningful participation in the management of the housing development.

§ 964.16 HUD role in activities under this part.

(a) General. Subject to the requirements of this part and other requirements imposed on HAs by the ACC, statute or regulation, the form and extent of resident participation including resident management are local decisions to be made jointly by resident councils/resident management corporations and their HAs. HUD will promote tenant participation and tenant opportunities programs, and will provide additional guidance, as necessary and appropriate. In addition, HUD will endeavor to provide technical assistance in connection with these initiatives.

(b) Monitoring. HUD shall ensure that the requirements under this part are operating efficiently and effectively.

§ 964.18 HA role in activities under subparts B & C.

(a) HAs with 250 units or more. (1) A HA shall officially recognize a duly elected resident council as the sole representative of the residents it purports to represent, and support its tenant participation activities.

(2) When requested by residents, a HA shall provide appropriate guidance to residents to assist them in establishing and maintaining a resident council.

(3) A HA may consult with residents, or resident councils (if they exist), to determine the extent to which residents desire to participate in activities involving their community, including the management of specific functions of a public housing development that may be mutually agreeable to the HA.
