

Bureau of Indian Affairs, Interior

§215.11

will be necessary in reference to contracts of extension of leases, or to leases entered into under this section, as above provided, but such lease or contract shall be upon such terms as to bonus and royalty as may be determined and fixed in each case by the Secretary of the Interior under the provisions of §215.5. The approval by the Secretary of the Interior of new leases or of the contracts of extension of old leases shall be conclusive as to the validity of said leases, or contracts of extension of leases, the manner and method of negotiating the same, and the execution thereof. If, however, in any case where lands have heretofore been leased and lead and zinc ores have been discovered thereon, it shall appear to the Secretary of the Interior that the extension of the existing lease or leases or the granting of new leases to the present lessees, or to the persons or parties holding under said lessees by assignment, sublease, or mining contract, would not be to the best interests of the Indian owners of the land, the Secretary of the Interior may, at the expiration, cancellation, or forfeiture of the existing lease, cause the mining lease rights on said land to be offered for sale at public auction to the highest bidder. If the lead and zinc mining lease on said land be offered for sale at public auction, the same procedure shall be followed as provided in §§215.7 through 215.9.

(b) Applications under the provision of this section for a lease or extension of lease or for the approval of such lease or extension of lease will not be received or considered prior to the period of 1 year next preceding the date of the expiration of such valid existing lease or leases as may be on the land covered by such application.

(c) Applications under the provisions of this section for a lease or extension of lease or for the approval of such lease or extension of lease shall be filed with the superintendent of the Quapaw Agency at any time within the period of 1 year next preceding the date of the expiration of such valid existing lease or leases as may be on the land covered by such application, and if the records of or papers in the office of said superintendent or the records of the county court of Ottawa County, Okla., indi-

cate that there are any prior existing leases, subleases, assignments of leases or mining contracts covering any of the land applied for, the superintendent shall notify all persons having or claiming any rights or interest in or under said prior existing leases, subleases, assignments of leases, or mining contract concerning said application for lease or extension of lease, and that they will be allowed 10 days in which to file with the superintendent any objection they may have to the allowance of the application or to the approval of the new lease or extension of existing lease. If objection or protest is made by any owner of the land or by any person claiming rights or interests in or under existing lease, sublease, assignment of lease, or mining contract, a reasonable time, not exceeding 20 days, shall be allowed them in which to file their statement or brief in support of their protest or objection, and a reasonable further time not exceeding 10 days shall be allowed the applicant for new lease or for extension of existing lease to reply in support of the application. In case of contest, hearings may be had if deemed necessary by the Secretary of the Interior or his representative. The application and papers in each case shall be forwarded by the superintendent of the Quapaw Indian Agency to the Commissioner of Indian Affairs with his report and recommendation in regard thereto.

§215.11 New leases where prior leases have been forfeited or abandoned.

In cases where the lands have heretofore been leased and lead and zinc ores have been discovered but the mines and mining operations have been abandoned and the leases have been canceled or forfeited or have expired, special arrangements in the matter of the leasing and mining of said lands may be made provided the consent thereto of the Secretary of the Interior be first obtained. Applications containing special offers as to the terms and conditions may be considered by the Secretary of the Interior and the leasing of said lands may be made upon such special terms and conditions as the Secretary of the Interior may in each case deem to be for the best interests of the Indian owners of the land.

§215.12

If, however, in any case, it shall appear to the Secretary of the Interior that the granting of such lease would not be to the best interest of the Indian owners of the land, the Secretary of the Interior may cause the mining lease rights on said land to be offered for sale at public auction to the highest bidder. If the lead and zinc mining lease on said land be offered for sale at public auction, the same procedure shall be followed as provided in §§215.7 through 215.9.

§215.12 Advertising costs.

All advertising costs, publication fees, expenses incurred for abstracts of lease title, and other expenses incurred in connection with the advertising and sale of leases and in connection with the execution of lease contracts shall be borne by the lessee. In the event a lease of the land is offered to the highest bidder and he fails or refuses to execute such lease when duly notified and as required by or under the regulations in this part, and no other bid is accepted, such costs, fees, and expenses shall be paid from such money as he may have paid with his bid. If no bid is tendered after a tract is advertised, or if all bids are refused, said items of expenses shall be charged to the Indian owner of the land and be paid by him or be paid by the superintendent from any funds held by such superintendent to the credit of such Indian owner of the land.

§215.13 Bond.

Every mineral lease made and entered into under the regulations in this part, by an Indian or by the superintendent as his representative or in his behalf, must be accompanied by a surety bond, executed by the lessee and by a responsible surety company or two or more satisfactory sureties, guaranteeing the payment of all deferred installments of bonus and the payment of all specified royalties and rentals and the performance of all covenants and agreements undertaken by the lessee. Such bonds, unless authorized by the Secretary of the Interior or his authorized representative, with the consent of the Indian landowner, shall be not less than the following amounts:

For less than 80 acres—\$2,500

25 CFR Ch. I (4–1–11 Edition)

For 80 acres and less than 120 acres—3,500
For 120 acres or more—5,000

Provided, however, That the lessee may, in lieu of such surety bond and upon execution of a proper penal bond to the United States in the sum prescribed and a proper power of attorney to the Secretary of the Interior, submit therewith United States bonds or notes in the aggregate sum prescribed as security for the carrying out of the terms, conditions, and provisions of the lease: *Provided further,* That a lessee may file in lieu of such individual lease bonds, one bond in a sum to be fixed by the Secretary of the Interior covering all leases to which he is or may become a party. The right is specifically reserved to the Secretary of the Interior to require an increase of the amount of any bond above the sum named in any particular case where he deems it necessary to require such increased bond.

[26 FR 164, Jan. 10, 1961. Redesignated at 47 FR 13327, Mar. 30, 1982]

§215.14 Payments to be made to superintendent.

No bonus, rents, royalties, nor other payments accruing under any mineral lease executed in accordance with or subject to the regulations in this part and approved by the Secretary of the Interior shall be paid direct to the Indian lessor; but all such bonus, rents, royalties, and other payments accruing under any such lease shall be paid to the superintendent for the benefit of the Indian lessors, to be deposited by that officer to the credit of the superintendent in some bank designated for the deposit of individual Indian moneys.

§215.15 Leases to be accompanied by Form D.

Lead and zinc leases should be accompanied, when filed, with application for approval (Form D)¹ made under oath, and said application shall set forth the information therein required.

¹For further information concerning forms, see §215.19.
