§ 39.209 How are ISEP funds distributed?

(a) On July 1, schools will receive 80 percent of their funds as determined in §39.207.

(b) On December 1, the balance will be distributed to all schools after verification of the school count and any adjustments made through the appeals process for the third year.

§ 39.208 When may a school count a student for membership purposes?

If a student is enrolled, is in attendance during any of the first 10 days of school, and receives at least 5 days’ instruction, the student is deemed to be
