Bureau of Indian Affairs, Interior

§ 39.807 How will the Student Unit Value be adjusted annually?

(a) The student unit instructional value (SUIV) and the student unit residential value (SURV) will be adjusted annually to derive the current year Student Unit Value (SUV) by dividing the calculated SUIV and the SURV into two parts and adjusting each one as shown in this section.

(1) The first part consists of 85 percent of the calculated SUIV and the SURV. OIEP will adjust this portion using the personnel cost of living increase of the Department of Defense schools for each year.

(2) The second part consists of 15 percent of the calculated SUIV and the SURV. OIEP will adjust this portion using the Consumer Price Index-Urban of the Department of Labor.

(b) If the student unit value amount is not fully funded, the schools will receive their pro rata share using the Indian School Equalization Formula.
