§ 1001.4 Application review and approval.

Upon receipt of an application, the OSG will review the package and determine whether or not it is complete. Upon determination that it is complete, the name of the tribe or consortium will be included in the official applicant pool. Incomplete submissions will be returned with the deficiencies identified. Revised applications may be resubmitted for consideration at any time.

§ 1001.5 Application review and selection process for negotiations for funding agreements.

Upon acceptance into the applicant pool, the OSG will assign to each tribe or consortium a ranking relative to other applicants based upon the date the OSG receives the complete application package. This ranking will constitute a master list that will be maintained and updated on a continuous basis from year to year. When receipt dates are the same for two or more applications, several other factors will be considered in determining the placement of the tribe or consortium on the list. These factors are identified in priority order as follows:

(a) Designation by the Congress through report language that a tribe should be considered for participation. These designations will be considered based upon the actual language of the report.

(b) Documentation of OSG sanctioning of the tribe's self-governance planning and subsequent evidence of actual planning by the tribe.

(c) Submission of a completed planning or negotiation grant application in the previous year.

(d) A signed agreement pursuant to the Indian Health Service (IHS) self-governance project.

(e) Receipt of a planning grant awarded by the IHS.
§ 1001.9 Selection criteria for tribes/consortia seeking advance planning grant funding.

(a) Who is eligible to apply for a planning grant that will be awarded before a tribe/consortium is admitted into the applicant pool? Any tribe/consortium that is not a self-governance tribe and needs advance funding in order to complete the planning phase requirement may apply. Tribes/consortia that have received a planning grant within 3 years preceding the date of the latest Federal Register announcement described in §1001.7 are not eligible.

(b) What must a tribe/consortium submit in order to meet the planning phase requirements? A tribe/consortium must submit the following material:

(1) A tribal resolution or other final action of the tribal governing body indicating a desire to plan for tribal self-governance;
